Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 2724-461".
- b. Remove the phrase "Kills more flies". This is an unacceptable comparative claim.
- c. The phrase "New mode of action" is acceptable for one year from the date of this registration. Product labeled after that date must delete this claim.

3. The individual device labeling is acceptable as submitted. This labeling will be required to be affixed to each bait station (not the outer labeling).

Signature of Approving Official:

Rebecca S. Cool

Date:

2/22/95

4. The Confidential Statement of Formula (CSF) submitted January 19, 1995 is acceptable as the basic formulation for this product. It has been placed in the file jacket. All other CSFs submitted for this product are not active.

5. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label and device label is enclosed for your records.

Sincerely,

Rebecca S. Cool
