Total	100.00%

KEEP OUT OF REACH OF CHILDREN

CAUTION

See Back Panel For Additional Precautionary Statements

Net Contents:

**READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON [DOGS][CATS][PUPPIES][KITTENS]**

Sandoz 9116 Mousse contains natural pyrethrins which kill adult and immature fleas and ticks on your pet. Sandoz 9116 Mousse takes flea control a step further by utilizing PRECOR® [vIGRen®], an insect growth regulator. PRECOR IGR [vIGRen] breaks the life cycle by killing flea eggs, a major source of re-infestation, for 12 days. For complete flea and tick control, use Sandoz 9116 Mousse in conjunction with other [Sandoz/Subregistrant brands] premise products.

DIRECTIONS FOR USE - It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Shake can well before using. Apply mousse based on the pet's bodyweight. Dispense 1 second of spray per 2 pounds of body weight (*1 second of spray equals a portion the size of a golf ball*) into the palm of your hand and work into the pet's fur starting with the head and working towards the tail. Rub the foam thoroughly into the pet's coat with fingertips. Brush when dry for a better coat appearance. Do not repeat treatment for 2 weeks. Do not treat face, eyes, or genitals.

STORAGE and DISPOSAL: Do not store near heat or open flame. Store away from children and pets. Do not reuse empty container. Wrap can and put in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS - CAUTION: Harmful if swallowed. Avoid contact with eyes. After using, wash hands with soap and water.

HAZARDS TO ANIMALS: Some cats may be sensitive to products containing pyrethrins. Excessive salivation and paw flicking may occur; however, these effects are temporary and not harmful.

Do not use on [puppies][kittens] under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, animals on medication or pregnant or nursing animals.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

PHYSICAL HAZARDS: Flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

FIRST AID IN HUMANS: If swallowed, call physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching the back of the throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. If in eyes, flush with plenty of water. Get medical attention if irritation persists.

WARRANTY AND CONDITIONS OF SALE: Seller makes no warranty, express or implied, concerning the use and handling of this product other than indicated on the label. Buyer assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.

In case of emergency or for product information, call 1-800-XXX-XXXX.
