Schaumburg, Illinois 60173

Subject: Label Notification(s) for Pesticide Registration Notice 2007-4 & 2007-1

Dear Ms. Huebl:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 and 2007-1 dated January 28, 2010 for the following product(s):

Elite Pyrethrin Powder; EPA Reg. No. 2724-627

The Registration Division (RD) has conducted a review of this request for applicability under PRN 2007-4 and finds that the label change(s) requested falls within the scope of PRN-2007-4. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact Regina Foushee'-Smith at 703-605-0780.

Sincerely,

Richard J. Gebken
Product Manager
Insecticide Branch

SUBJECT: NOTIFICATION OF LABEL REVISION PER PRN 2007-4 & 2007-1
ELITE PYRETHRIN POWDER/EPA REG. NO. 2724-627

Dear Mr. Gebken:

Enclosed is a completed EPA Form 8570-1 and 1 copy of a highlighted label (new text is red, blue strikethrough is deleted text) per PRN 2007-4 and 2007-1. The text represents exact text from the PR Notice, no other label changes were made.

If you have any questions or if I can provide any further assistance, please, call me directly at 847/330-5376. Thank you for your assistance in this matter.

Yours sincerely,
WELLMARK INTERNATIONAL

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS -
CAUTION**

Avoid breathing dust and contact with skin and eyes. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with a mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID	
If inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
If on skin	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-877-757-4943 for emergency medical treatment information.	

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water by cleaning of equipment or disposal of wastes.

[Information in brackets is for Use with Flea Comb Attachment]

[New FleaComber provides the most convenient way to apply flea powder to your pet. The comb-in applicator allows you to work powder deep into your pet's coat for fast, effective relief without the mess. Before first use, remove seal below cap. Replace cap. (Cap is designed to loosen if overtightened).]

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To control fleas, ticks, and lice on dogs and cats, dust [comb] powder liberally over the entire body. Rub [Comb] dust into hair and around the feet, pads, and between the toes so that they are well treated. Take care not to put the powder in animal's eyes, nose, or mouth. Do not repeat treatment for one week. Do not use on puppies or kittens under 12 weeks. Dust bedding, kennel, and sleeping area regularly. Consult a veterinarian before using this product on debilitated, aged, pregnant or nursing animals, or animals on medication.

NON FOOD AREAS: Homes, institutions, hospitals, office buildings, warehouses, hotels, motels, theaters, schools, truck trailers, and railroad cars: To control crawling insects including ants, cockroaches, silverfish, fleas and ticks, apply a continuous visible film underneath and behind stoves, refrigerators and appliances, Treat on, around, and behind moldings, shelves, baseboards, pipe openings, cracks and crevices, and other areas where insects may hide. Do not use on surfaces that come into direct contact with food. For severe infestations, apply this product behind cabinets and walls, in crawl spaces, and in attics at the rate of 16 ounces per 1,000 square feet of surface area. In animal quarters, distribute this product at the rate of 3 ounces per 100 square feet of surface area. Repeat treatment as necessary.

APPLICATIONS WITHIN FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS: Food processing plants and warehouses, bakeries, beverage plants, restaurants, supermarkets, meat and poultry plants, hotels, motels, hospitals, and schools: Limited to crack and crevice treatment only. Using a bulbous or similar duster, apply a small amount of material directly into cracks, crevices such as expansion joints between different elements of construction or between equipment bases and the floor, wall, voids, motor housing, junction boxes or switch boxes, conduits or hollow equipment legs where roaches, ants, silverfish, spiders, and crickets hide. Care should be taken to avoid depositing the product onto exposed surfaces or introducing the material into the air. Avoid contamination of food or food processing surfaces. Repeat treatment as necessary.

Application of this product in the food areas or food handling establishments, other than as a crack and crevice treatment are not permitted.

RESIDENTIAL LAWNS AND GARDENS: Treat only when insects are present and repeat as required to maintain control. Apply dust uniformly to upper and lower leaf surfaces.

STORAGE AND DISPOSAL (For containers larger than 5 pounds)

STORAGE AND SPILL PROCEDURE: Storage upright in original container at room temperature. Avoid exposure to moisture. In case of spill or leakage, sweep up and dispose of according to local and state chemical waste guidelines.

PESTICIDE DISPOSAL: Pesticide, spray mixture or rinse water than cannot be used according to label instructions must be disposed of at or by an approved waste disposal facility.

CONTAINER DISPOSAL/HANDLING: Nonrefillable container. Do not reuse or refill this container. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then offer for recycling if available or dispose of liner in a sanitary landfill or by incineration or if allowed by state and local authorities, by burning. If burned, stay out of smoke. If drum is contaminated and cannot be reused, dispose of it in the same manner required for its liner.

For container 5 pounds or smaller:

STORAGE AND DISPOSAL

STORAGE: Store in original container in an area inaccessible to children and pets and away from heat and sunlight. Avoid exposure to moisture.

DISPOSAL/CONTAINER HANDLING : Nonrefillable container. Do not reuse or refill this container. **If empty:** ~~Do not reuse this container.~~ Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

THIS CONTAINER IS FILLED BY WEIGHT, NOT BY VOLUME. YOU CAN BE ASSURED OF PROPER WEIGHT EVEN THOUGH SOME SETTLING OF CONTENTS NORMALLY OCCURS DURING TRANSPORTATION AND HANDLING.

In case of emergency or for product use information, call (901) 362-1950, Monday – Friday, 7:30 AM – 4:30 PM, CST (distributors may elect to use their own phone numbers) or visit our Web site [URL].
