Ms. Nancy Huebl Wellmark International 1501 East Woodfield Road, Suite 200 West Schaumburg, IL 60173

Dear Ms. Huebl:

Subject: Application for Pesticide Notification (PRN 98-10) Add Alternate Brand Name: Zoecon Zenprox-Insecticide Akroso Premium Roach Spray EPA Reg. No. 2724-675 Your submission dated July 8, 2011

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated July 8, 2011 for the above product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds the action requested falls within the scope of PRN 98-10. The labels submitted with the application have been stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on <u>nonrefillable</u> containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions regarding this letter, please contact Dana Pilitt, PhD of my staff at (703) 305-7071 or via e-mail at <u>pilitt.dana@epa.gov</u>.

Sincerely, Labh

Richard Gebken Product Manager 10 Insecticide Branch Registration Division (7505P)
