OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

APR 25 2012

James McFadden
Wellmark International
1501 East Woodfield Road, Suite 200 West
Schaumburg, IL 60173

Subject: Amended Reregistration Label
Product Name: Yard and Patio Fogger
EPA Registration Number: 2724-677
EPA Decision Numbers: 436005 and 410771

Dear Mr. McFadden:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the tetramethrin and piperonyl butoxide (PBO) REDs, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 6/7/11
- Alternate CSF #1, dated 6/7/11
- Alternate CSF #2, dated 6/7/11
- Alternate CSF #3, dated 6/7/11
- Alternate CSF #4, dated 6/7/11

2016

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Jennifer Urbanski at 703-347-0156 or urbanski.jennifer@epa.gov.

Sincerely,

 Richard J. Gebken
Product Manager (10)
Insecticide Branch

Piperonyl Butoxide* (CAS #51-03-6).....	1.0%
OTHER INGREDIENTS**:	98.3%
TOTAL:	100.0%

* (butylcarbityl)(6-propylpiperonyl) ether and related compounds
** Contains petroleum distillates

**KEEP OUT OF REACH OF CHILDREN
CAUTION
See Side Panel For Additional Precautions**

EPA REG. NO. 2724-677
EPA EST. NO.

ACCEPTED
APR 25 2012
Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended, for the
pesticide registered under:
EPA. Reg. No. 2724-677

NET CONTENTS:

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. When using, wear long sleeved shirt, long pants, shoes and socks. Repeated exposure to etofenprox can cause skin irritation.

FIRST AID	
If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Immediately call a poison control center or doctor. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give any liquid to the person. • Do not give anything by mouth to an unconscious person.
Note to Physician: Contains petroleum distillates. Vomiting may cause aspiration pneumonia.	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-[phone number] for emergency medical treatment information.	

ENVIRONMENTAL HAZARDS

This product is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not apply directly to or near water. Drift and runoff may be hazardous to fish in water adjacent to treated areas. See Directions for Use for additional precautions and requirements.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Do not use on surfaces that can be harmed or stained by water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS:

- Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.
- Do not allow adults, children, or pets to enter the treated area until sprays have dried.
- Do not remain in treated area. Exit area immediately and remain outside the treated area until sprays have dispersed.
- Do not wet plants or articles to point of runoff or drip.
- Do not water the treated area to the point of runoff. Do not make application during rain.
- Do not use treated article until spray has dried.
- Remove or cover exposed food and drinking water before application. Remove or cover all dishes, utensils, food processing equipment, and food preparation surfaces or wash them before use. Do not use on edible crops.
- Do not use on or near floor drains or sewers.
- To apply at the maximum rate, spray for about 25 seconds to cover a space of 100 sq ft (10' X 10').

**FOR OUTDOOR USE ONLY
SHAKE WELL BEFORE USING**

[optional] ↓

[Remove protective cap,] Hold container upright and spray.

OUTDOORS:

Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Point spray nozzle away from face. Hold can on slight downward angle. For best results, spray when air is calm. Allow a few minutes for product to take effect. Spray with wind if breeze is blowing.

Repeat treatments to infested areas as necessary at intervals of 14 days or greater.

Nests on Outside Surfaces of Buildings: For control of building infestation due to Ants, Clover Mites, Crickets, Earwigs, Millipedes, and Sowbugs (Pillbugs). Spray foundation of building where insects are active and may find entrance, up to a height of 2 to 3 feet. Hold can 2 to 3 feet from surface to be treated and spray to slightly moisten surface. Apply as a residual spray to outside surface of buildings where insects tend to congregate. Spray areas include screens, window frames, eaves, porches, patios, garages and refuse dumps.

FLYING INSECTS: Flies, Mosquitoes, Gnats, Small Flying Moths, Bees, Hornets and Yellow Jackets. Allow fog to drift over area. Direct spray toward bushes, or grass from at least 4 to 6 feet away. Give special attention to breeding areas such as garbage cans and compost piles.

CRAWLING INSECTS: Ants, Cockroaches, Crickets, Mole Crickets, Centipedes, and Silverfish. Hold can 2 to 3 feet from surface to be treated and spray infested surface of patio or picnic area, hitting as many insects as possible. Spray to slightly moisten the surface. Also spray legs of tables and chairs to repel ants. Spray ant trails and hills.

Ants, Ticks, Crickets, Fleas and Earwigs: Apply thoroughly to infestations in bushes, grass or weeds.

6096

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Do not store near heat or open flame. Store in a cool, dry area away from children. **PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

WARRANTY: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
