Subject: Label Amendment - Registration Review Mitigation for Etofenprox, Pyriproxyfen and Prallethrin
Product Name: ETOFENPROX IGR HOME AND CARPET SPRAY 1(2)
EPA Registration Number: 2724-701
Application Dates: May 9, 2024 and October 19, 2020 and March 23, 2021
Decision Numbers: 567028, 572437, & 595813
Case Numbers: 479001, 475288

Dear Noelle Sanfilippo:

The Agency, in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Etofenprox, Pyriproxyfen and Prallethrin Interim Decisions, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling and must be used at your next label printing. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

If you have any questions about this letter, please contact DeMariah Cotton by phone at (202)-566-2288 or via email at cotton.demariah@epa.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Linda Arrington', with a stylized flourish at the end.

Linda Arrington, Branch Chief
Risk Management and Implementation Branch 4
Pesticide Re-Evaluation Division

*Nylar Insect Growth Regulator

KEEP OUT OF REACH OF CHILDREN
CAUTION
See Back Panel for Additional Precautions

EPA Reg. No. 2724-701

EPA Est. No.

Net Wt. oz. (gms.)

ETOFENPROX IGR HOME AND CARPET SPRAY I² kills adult and pre-adult fleas. It contains an Insect Growth Regulator (IGR) along with other ingredients to kill the adult fleas and prevent pre-adult fleas from developing into biting adults. Reaches the hiding places of the flea: rugs, carpets, drapes, pet bedding, upholstery and furniture; protects the household from a buildup of fleas and reinfestation. One treatment protects for 210 days. **ETOFENPROX IGR HOME AND CARPET SPRAY I²** kills fleas, ticks, roaches, ants, waterbugs, silverfish, crickets, spiders, sowbugs, and carpet beetles.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Repeated exposure to etofenprox can cause skin irritation.

FIRST AID	
If on skin or clothing	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-XXX-XXXX for emergency medical treatment information.	

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

PHYSICAL AND CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate. Exposure to temperatures above 130° F may cause bursting. Use adequate ventilation during use. Do not smoke while using this product. Do not use this product in or on electrical equipment due to the possibility of shock hazard. Do not allow product to freeze.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling .
READ THE ENTIRE LABEL PRIOR TO USE. USE STRICTLY IN ACCORDANCE WITH ALL LABEL PRECAUTIONS AND DIRECTIONS.

GENERAL PRECAUTIONS AND RESTRICTIONS

For indoor use only.

Do not allow adults, children, or pets to enter the treated area until sprays have dried.

Do not wet articles to point of runoff or drip. Do not use treated article until spray has dried.

Remove or cover exposed food and drinking water before application.

Remove or cover dishes, utensils, food processing equipment, and food preparation surfaces, or wash them before use.

Do not allow to enter any indoor or outdoor drains. (No permita la entrada a desagües internos o externos.) Follow proper disposal procedures on this label. (Siga las indicaciones del etiquetado para el desecho apropiado del producto.)

To apply at the maximum rate, spray for 15 seconds to cover a 5 ft X 10 ft area.

SHAKE WELL BEFORE USE

Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums before spraying. All food processing surfaces and utensils should be covered during treatment or wash thoroughly before reuse. Exposed food should be covered or removed. Do not use on edible crops.

Indoors: Thoroughly vacuum all carpeting, upholstered furniture, along baseboards, under furniture and in closets. Seal vacuum bag and dispose of in trash outdoors.

Spray Etofenprox IGR Home and Carpet Spray I² from 2 feet to 3 feet away from surface being treated. Apply with a smooth back-and-forth motion to carpets, drapes, rugs, and upholstered furniture. Avoid wetting or saturating of carpets or furniture. A fine mist spray that is evenly applied will do the job properly. Do not spray wood furniture, floors or trim as water spotting may occur. Repeat treatment every 14 days to control adult fleas and ticks.

Apply directly to exposed insects - roaches, ants, spiders, crickets, waterbugs, silverfish, sowbugs, and carpet beetles: Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks and crevices, along baseboards and door sills and frames, behind sinks, stoves, refrigerators, and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. Spray ant trails, nests and points of entry. Repeat treatment every 14 days.

On Pet Bedding: Treat pet bedding and resting places. Apply a uniform application of Etofenprox IGR Home and Carpet Spray I² to nearby cracks and crevices, along and behind baseboards, window and door sills, and localized areas of floors where fleas or ticks may be present as these are primary hiding places for fleas. Pet bedding does not need to be removed after treatment.

Repeat treatments to infested areas as necessary at intervals of 14 days or greater. Do not make more than 6 applications per site per year.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Do not store near heat or open flame. Store in a cool, dry area away from children. **DISPOSAL:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for local disposal options. Do not dispose of down the drain or sewer.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

In case of emergency or for product use information, call 1-800-XXX-XXXX or visit our Web site [URL].
