JUN 30 2011

Dear Ms. Huebl,

Subject: Label Amendment
Product Name: RF2112 Shampoo
EPA Reg. No. 2724-806
Submission dated May 2, 2011

The labeling above, submitted in accordance with the Federal Insecticide, Rodenticide and Fungicide Act, as amended, is acceptable. The alternate brand name "Vet-Kem Ovitrol X-Tend Flea and Tick Shampoo for Dogs and Cats" has been added to the product file.

A stamped copy of the label is enclosed for your records. For your information, one of the June 2, 2011 submission dates included the final printed labeling. Please contact Kevin Sweeney at (703) 305-5063 if you have questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Gebker", written over the typed name.

READ ENTIRE LABEL BEFORE EACH USE

USE ONLY ON CATS AND KITTENS 12 weeks of age or older

USE ONLY ON DOGS AND PUPPIES 10 weeks of age or older

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
FOR TOPICAL USE ONLY. DO NOT INGEST.

General Precautions and Use Restrictions
<ul style="list-style-type: none"> ○ Apply this product only as specified on this label. ○ [DO NOT apply to cats less than 12 weeks of age] [dogs less than 10 weeks of age.] ○ Consult a veterinarian before applying this product on debilitated, aged, pregnant or nursing animals. Certain medicines can interact with pesticides. Consult a veterinarian before using on medicated animals. Sensitivities may occur after using ANY pesticide for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Thoroughly wet [the hair][the animal][your pet/dog/cat/puppy/kitten] with warm water. Use [Brand Name] full strength. Do not apply shampoo around the eyes. Apply ¼ tablespoon* shampoo for each 1 lbs of pet's [cat's/dog's/kitten's/puppy's] weight. Starting with the head and ears, lather; then continue to work lather in for 3 to 5 minutes to the neck, chest, middle and hindquarters, and finishing legs last (this is an important part of the grooming procedure). Rinse [animal][pet][cat/dog/puppy/kitten] thoroughly with warm water. For extremely dirty or scaly animals [pets][cat/dog/puppy/kitten], remove excess dirt and dust by brushing coat first, then shampoo. For dogs, repeat applications at least 8 days apart. For cats, repeat applications at least 14 days apart and do not apply more than twice per month for control of adult fleas and ticks. Treat animal bedding/quarters with an approved product labeled for that use at the same time that [pet][dog/cat/puppy/kitten] is treated with [Brand Name] Shampoo.

*Do not use food utensils such as tablespoons for food purposes after use with pesticides.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Causes substantial but temporary eye irritation. Avoid contact with skin or clothing. Do not get in eyes or on clothing. Wear protective eyewear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Wear long-sleeved shirt and long pants, socks, shoes, and gloves. Repeated exposure to etofenprox can cause skin irritation.

5/5

FIRST AID

Call a poison control center or doctor for treatment advice.

If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-[phone number] for emergency medical treatment information.

[Note: First Aid statement paragraph format may be used if space is limited.]

STORAGE AND DISPOSAL

Pesticide Storage: Store in a cool, dry (preferably locked) area that is inaccessible to pets and children.

Disposal: Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partially filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

In case of emergency or for product use information, call [phone number]
