UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460

OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

NOV 21 2013

Mr. Steven R. Spaulding
Wellmark International.
1501 East Woodfield Road
Schaumburg, Illinois 60173

Dear Mr. Spaulding:

Subject: Label amendment; additional efficacy claims
RF2172 Insecticide Bait D
EPA Registration Number 2724-812
Your submission dated 6/12/2013
OPP Decision Number D479785

The amendment referred to above is acceptable in accordance with the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, subject to the comments and conditions listed below:

1. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data. Dinotefuran is subject to Registration Review. EPA's review of data, once complete, and other information in connection with these matters may impact your product.

2. Submit one (1) copy of the final printed labeling before you release the product for shipment bearing the amended labeling. Your release for shipment of the product constitutes acceptance of this condition. If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e).

A stamped copy of the label is enclosed for your records. If you have any questions, please contact Rita Kumar at (703) 308-8291 or kumar.rita@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Reuben Baris".

Call a poison control center or doctor immediately for treatment advice.	
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If swallowed	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Have person sip a glass of water if able to swallow. • Do not give anything by mouth to an unconscious person.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes.
HOT LINE NUMBER	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of medical emergencies or health and safety inquiries or in case of fire, leaking or damaged containers, information may be obtained by calling 1-800-347-8272.	

ENVIRONMENTAL HAZARDS

This pesticide is toxic to shrimp. Do not apply directly to water, areas where surface water is present or to intertidal areas below the mean high water mark. Drift or run off from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water when disposing of equipment washwaters.

This product is highly toxic to bees exposed to direct treatment. Do not apply this product if bees are actively foraging in the treatment areas.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL, USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

4/5

USE RESTRICTIONS

- Do not use RF2172 Insecticide Bait D [Brand Name] inside homes, or any place where children or animals might be present.
- Do not spread granules or use bait stations within reach of children or animals.
- Do not apply this product in a way that will contact workers or other persons.
- Do not apply where poultry or animals, especially dogs and young calves, can pick it up or lick it.
- Do not use on edible product areas of food processing plants or other areas where food is commercially prepared or processed.
- Do not use in serving areas while food is exposed.
- Do not use as a scatter bait indoors.
- Do not use as a scatter bait in food/feed areas of food/feed handling establishments.
- Do not use around commercial dumpsters which are not enclosed.

PRODUCT INFORMATION

RF2172 Insecticide Bait D [Brand Name] is an effective granule fly bait formula that contains Muscamone fly attractant and can be used as a scatter bait or in bait stations. Baits can be an important tool in the overall management of house fly populations. An integrated approach is recommended which includes: sanitation, manure management, physical barriers, sprays, mechanical traps and periodic rotation of baits with different modes of action.

APPLICATION PROCEDURES

SCATTER BAIT

Where to Apply

RF2172 Insecticide Bait D [Brand Name] may be used around the outside of milking parlors, broiler houses, kennels, canneries, beverage processing plants, meat and poultry processing plants, food processing plants and refuse dumpsters associated with these establishments and the walkways of caged layer houses. Do not use around commercial dumpsters which are not enclosed. May also be used in fenced or otherwise enclosed areas inaccessible to children and around the outside of restaurants, supermarkets, commissaries, and bakeries.

Methods of Application

Scatter **RF2172 Insecticide Bait D** [Brand Name] granules [directly from container] onto desired locations. Scatter granules evenly on [dry, level] surfaces, avoid placing bait in piles. Apply at a rate of ¼ pound per 500 square feet of area. Reapply as bait is consumed to maintain control. Start applications at the beginning of the season to help keep house fly populations manageable. Avoid application to windy areas as house flies will avoid these areas; apply bait in several locations, concentrating on areas where house flies are a problem.

5/5

BAIT STATIONS

Where to Apply

RF2172 Insecticide Bait D [Brand Name] stations may be used in house fly infested areas in and around milking parlors and broiler houses, caged layer houses, canneries, beverage processing plants, food processing plants, meat and poultry processing plants, kennels, stables, refuse dumpsters, warehouses, loafing sheds, swine facilities, broiler houses, and feed lots. May also be used in and outside the non-food/feed areas of restaurants, barns, taverns, supermarkets, commissaries, and bakeries.

Methods of Application

Use **RF2172 Insecticide Bait D** [Brand Name] in any commercial fly bait station secured at least 4 feet above the ground. Position one bait station in each 250 square feet of area with up to 2 ounces of bait per station. Place bait stations in areas inaccessible to food-producing animals, pets, and children. Concentrate bait station placements in areas where house flies are a problem including dumpsters, stables, trash piles, or other areas that attract house flies. Avoid placing bait stations in windy areas as house flies will avoid bait stations that move. Reapply as bait is consumed to maintain control.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in a cool, dry place away from heat or open flame and inaccessible to children. **Pesticide Disposal:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Handling:** Nonrefillable container. Do not reuse or refill this container. Empty container by tapping sides to apply contents as directed in the Directions for Use. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by other procedures allowed by state and local authorities.

WARRANTY AND CONDITIONS OF SALE:

Seller warrants that this product conforms to the chemical specifications expressed on the label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, seller's liability for default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
