Wellmark International
1501 E. Woodfield Road, Suite 200W
Schaumburg, IL 60173

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered//reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with section 3(c)(7)(A) of FIFRA provided that you:

- 1. Submit and/or cite all data required for registration of your product under section 3(c)(5) of FIFRA when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under section 4 of FIFRA.
2. Submit within 12 months of the date of issuance of this Registration Notice, acceptable guideline studies for Storage Stability study (OPPTS GLN: 830.6317) and Corrosion Characteristics study (OPTS GLN: 830.6320) for this product.
3. Make the following change(s) to the product label:

a. Change the product registration number to "EPA Reg. No. 2724-822"

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Wear long-sleeved shirt and long pants, socks, shoes and gloves.

FIRST AID	
If swallowed	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything to an unconscious person.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-234-2269 for emergency medical treatment information.	

USER SAFETY RECOMMENDATIONS:

User should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. User should remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

READ ENTIRE LABEL BEFORE EACH USE.
DO NOT SPRAY ON PETS OR HUMANS.

[Brand Name] is formulated to stop hatching eggs from developing into adult fleas and kill pre-adult fleas (larvae) before they grow up to bite. [RF2177 WB Carpet RTU [Brand name] contains a unique combination of ingredients that kills pre-adult fleas before they grow up to bite and kills adult fleas.] It reaches [and kills] fleas hidden in carpets, rugs, upholstery, and pet bedding. It safeguards [protects] your home from flea build-up, while protecting your pets and family from bites. Use in homes, garages, attics and apartments.]

RF2177 WB Carpet RTU [Brand name] kills adult and pre-adult fleas. It prevents pre-adult fleas from hatching into adult biting fleas for 7 months [30 weeks][210 days]. One treatment gives continuous protection against pre-adult fleas for 7 months [210 days][30 weeks].

RF2177 WB Carpet RTU [Brand name] kills fleas, [ticks], [cockroaches], [silverfish], [earwigs], [ants], [scorpions], [spiders], [crickets], [pillbugs], sowbugs [carpet beetles], [confused flour beetles],[centipedes], [darkling beetles], [dermestids], [firebrats], [flies], [fruit flies], [gnats], [Indian meal moths], [lesser grain borers], [millipedes], [mosquitoes], [moths], [red flour beetles], [sawtoothed grain beetles], [wasps], and [&][other insects] [on contact]. This product is designed for use on all fabrics and carpeting; however, some natural fibers [such as wool] and synthetics may be adversely affected by any liquid product - always test a hidden area prior to use. [Lighter colored carpets may show some soiling after treatment. To help avoid soiling carpets, allow product to dry completely before walking on treated areas.]

To protect your pet against fleas outdoors, use a [brand name] flea or flea and tick collar, [brand name] pet dust [powder], [brand name] pet spray, [brand name] pet sponge-on, [brand name] pet topical, [brand name] pet shampoo, or other appropriate product registered for on-animal use.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Shake well before using.

Fleas: Use RF2177 WB Carpet RTU [Brand name] in homes, [garages],[attics], [apartments] and [hotels]. One bottle will treat a surface area equivalent to [350 sq. ft.] approximately [3] [10' X 11.5'] rooms. A fine spray applied uniformly is all that is necessary to kill fleas. Do not wet furniture and carpeting. Remove birds and cover aquariums before spraying. For maximum effectiveness, treat entire carpeted area. Treat carpets, rugs, drapes and all surfaces of upholstered furniture. Remove old pet bedding and replace with clean fresh bedding after treatment of pet area. Reapply every 2 weeks if necessary. Vacate treated areas and do not return for at least one hour.

Avoid contamination of food and foodstuffs. Do not use in the edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared, processed, stored, or served.

To kill [ticks], [cockroaches], [silverfish], [earwigs], [ants], [scorpions], [spiders], [crickets], [pillbugs], sowbugs] [carpet beetles], [confused flour beetles],[centipedes], [darkling beetles], [dermestids], [firebrats], [flies], [fruit flies], [gnats], [Indian meal moths], [lesser grain borers], [millipedes], [mosquitoes], [moths], [red four beetles], [sawtoothed grain beetles], wasps], and [&][other insects] in the environment, apply directly to pests.

Bed Bugs: Thoroughly inspect areas of suspected bed bug infestation and note potential or actual sites where bed bugs hide. [(For professional use products) -Instruct residents to] Remove or pick up clothing and other obstacles that prevent thorough inspection or treatment. Remove and sanitize infested bedding, clothing, or other items. **Do not apply to bedding. Wash bedding and dry using medium to high heat to kill bed bugs.**

Apply [brand name] to areas where bed bugs live, especially hidden sites. Apply thoroughly as a spot, crack and crevice, or surface application. Focus applications to hidden sites such as behind dressers, cove base, under carpets and furniture, inside and on box springs, under beds, behind mirrors and pictures, and other locations where bed bugs hide.

Apply as a surface application to carpeting, drapes, and flooring at the rate of ¼ fl oz/3.6 ft² (about 8 pumps). Apply [Brand name] directly to mattresses, **do not saturate the mattress**, focus applications on seams and folds. Allow mattress to dry thoroughly before replacing bedding.

STORAGE AND DISPOSAL: Pesticide Storage: Store in original container away from children. Protect from freezing or high temperatures. **Pesticide Disposal:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
