Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment to: add the statement “not for use in liquid cattle feed;” add EPA establishment number; add net weight of product; revise first aid emergency contact number; replace the term “animal” with the term “cattle” throughout the label; add language advising of application rate and maximum limit for ethoxyquin; remove liquid blending instructions from formulation instructions; and add language advising manufacturers and formulators of their responsibility for adhering to all Food and Drug Administration (FDA) requirements for cattle feed.
Product Name: RF2222 CCG
EPA Registration Number: 2724-840
Application Date: February 24, 2016
OPP Decision Number: 515807

Dear Ms. Friedli:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. “To distribute or sell” is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company’s website on your label, then please be

aware that the website becomes labeling under FIFRA and is subject to review by the U.S. Environmental Protection Agency (EPA). If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA-approved registration, the website will be referred to the EPA's Office of enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

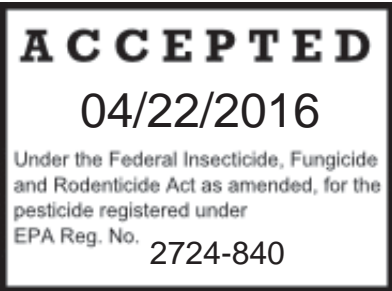

If you have any questions, please contact Cheryl Greene of my team by phone at (703) 308-0352 or via email at Greene.cheryl@epa.gov .

Sincerely,

Andrew Bryceland, Team Leader

RF2222 CCG

NOT FOR USE IN LIQUID CATTLE FEED
AN INSECT GROWTH REGULATOR FOR MANUFACTURING OR FORMULATING USE ONLY

A MANUFACTURING-USE PRODUCT FOR USE ONLY IN FORMULATING EPA-REGISTERED
CATTLE FEED-THROUGH PRODUCTS FOR CONTROL OF HORN FLIES DEVELOPING IN
MANURE

ACTIVE INGREDIENT:

(S)-Methoprene (CAS #65733-16-6) 2%

OTHER INGREDIENTS: 98%

Total 100%

This product contains ethoxyquin as a preservative.

KEEP OUT OF REACH OF CHILDREN
CAUTION

See back/side panel for additional Precautionary Statements/First Aid

EPA Reg. No. 2724-840
EPA Est. No. 2724-TX-1

Lot Number
Net Weight: 40 lbs

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wear protective eyewear such as safety glasses or goggles. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

FIRST AID	
If in eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-347-8272 for emergency medical treatment information.	

[Note: First Aid statement paragraph format may be used if space is limited.]

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE-It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Products formulated with this product must be registered by the EPA. For formulation into end-use products intended to be used in cattle food processing or manufactured products, and cattle food or feed containers or dispensers.

FORMULATING INSTRUCTIONS:

Add the RF2222 CCG last, and mix thoroughly.

This manufacturing use product may be used to make EPA-registered premixes and supplements containing (S)-Methoprene, such as 0.4% (S)-Methoprene premix (EPA Reg. No. 2724-474) and supplements ranging between 0.02 and 0.0025% (S)-Methoprene. For finished cattle feeds/supplements, blend the manufacturing use product at a rate of no more than 20 pounds of this product per ton of cattle feed/supplement, to remain below the 150 ppm maximum limit established for ethoxyquin by FDA.

It is the responsibility of the manufacturer or formulator of the EPA-registered cattle feed-through product to ensure that any feed ingredients used in the formulation of the feed-through product containing this manufacturing use product comply fully with applicable FDA requirements for cattle feeds.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a cool, dry place.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into mixing equipment. Then offer for recycling if available or dispose of empty container/liner in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

WARRANTY AND CONDITIONS OF SALE:

Seller warrants that this product conforms to the chemical specifications expressed on the label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, seller's liability for default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
