Dear Mr. Kelley:

SUBJECT: Breath O' Pine All Purpose Cleaner
 EPA Registration No. 2733-1
 Your Resubmission of October 13, 1992

This is response to your resubmission of above date requesting approval of your revised labeling and revised, updated Confidential Statement of Formula (CSF). The following comments apply to this submission.

1. The revised Confidential Statement of Formula is not filled out correctly and is not acceptable.
2. Submit a revised CSF and in block 13a enter the amount of each component by weight not by volume. However, if you enter any amount by volume then enter also the density or specific gravity for that component. In blocks 14a and 14b enter the upper and lower limits for each active and inert ingredient.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records. Five copies of the finished labeling must be submitted before you release the product for shipment.
