**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING**

Humans: Harmful if absorbed through skin. Causes skin irritation. Prolonged or frequently repeated usage may cause allergic reactions in some individuals. May cause irritation. Do not get on skin, clothing, or in eyes. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.
Animals: Avoid contamination of feed.
Do not use on debilitated, medicated, aged, pregnant, or nursing animals. If reaction occurs, wash animal with soap and water

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE USING

For sarcoptic mange apply once daily for several days. Wear rubber gloves and work well into the skin with a slow, firm finger massage. On areas that respond slowly, use twice daily until healed. After applying, tie dog up for at least 20-30 minutes.
Do not use on dogs under 12 weeks of age. For information, call 1-800-326-5225.

IMPORTANT

For best results, disinfect animal's environment. Accompany treatment with periodic check for infection and sound nutritional program. If dermatitis persists, consult a veterinarian. If stiff sediment is found, turn bottle upside down overnight.

FIRST AID

IF swallowed - Call a physician or Poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the back of throat with a finger. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

IF inhaled - Remove victim to fresh air. Apply artificial respiration if indicated.

IF on skin - Remove contaminated clothing and wash affected areas with soap and water.

IF in eyes - Flush eyes with plenty of water. Call a physician if irritation persists.

STORAGE AND DISPOSAL

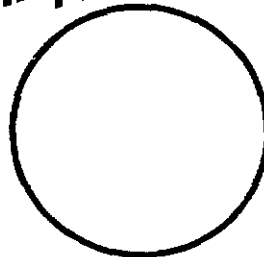

Storage: Do not contaminate water, food, or feed by storage.
Disposal: Do not reuse empty container. Wrap container and put in trash collection.
