Subject: Amended Reregistration Label
Product Name: Happy Jack Fly Ointment
EPA Registration Number: 2781-9
EPA Decision Numbers: 410829, 412072

Dear Ms. Tompkins,

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Pyrethrins and Piperonyl Butoxide REDs, and has concluded that your submission is acceptable.

NOTE: This product is not being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated September 28, 2011

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Julie Chao at (703) 308-8735 or chao.julie@epa.gov.

Sincerely,

Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7504P)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT USE ON HORSES OR FOALS INTENDED FOR SLAUGHTER

Happy Jack Fly Ointment repels adult flies and kills hatching larvae, which may contribute to infection/enlargement of wounds and cuts. Apply a thin layer of the product to areas surrounding cuts, wounds, and irritation. Use daily. Do not apply directly over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Wash hands with soap and water promptly after use. For information call 1-252-747-2911.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid contact with eyes.

Not for human use. Wear long sleeved shirt and long pants, socks and shoes. Wash hands after using and before eating, drinking, chewing gum, using tobacco, or using the toilet. Do not use on animals under the age of 12 weeks of age. Do not use on debilitated, medicated, aged, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for animals. If signs of sensitivity occur wash area with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

NOTE TO PHYSICIAN: Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal

Pesticide Storage: Store this product in its original container in a cool dry place away from children and pets

Pesticide and Container Disposal: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling, if available. **If partially filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
