

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Hold can in an upright position 3-6" from the dog and thoroughly spray all over the body against the lay of the hair. Avoid spraying into the eyes. The hair should be slightly damp down to the skin level.

Do not repeat more often than once every 4 weeks. Remove and destroy infested bedding. Do not use this product on animals simultaneously or within 30 days before or after treatment with or exposure to cholinesterase inhibiting drugs, pesticides, or chemicals.

Precautionary Statements Hazards to Humans and Domestic Animals

WARNING: Causes eye irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Do not breathe spray mist. Wash thoroughly after handling. Do not use on dogs nursing puppies or on pups under 10 weeks old. Do not use on cats.

Note To Physician: This product is a cholinesterase inhibitor. Atropine sulfate is antidotal.

Physical and Chemical Hazards

Extremely flammable. Contents under pressure. Keep away from fire, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure to temperatures above 130 °F may cause bursting.

Statement of Practical Treatment

If in Eyes: Flush eyes with plenty of water. Get medical attention.

If on Skin: Wash off with soap and water.

Note to Physician: Chlorpyrifos is a cholinesterase inhibitor. Atropine sulfate by injection is antidotal only if signs of cholinesterase inhibition are present.

Storage and Disposal

Do not reuse empty container. Wrap container and put in trash collection.
