

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**DIRECTIONS
FOR DOGS & CATS**

To kill ticks, fleas, lice, dust liberally all over and rub down to the skin. Apply to feet, between toes, and legs. Repeat once weekly if needed. Allow a few hours to kill large engorged ticks. Dust sleeping quarters liberally to kill brown dog ticks and fleas.

**Precautionary Statements
Hazards to Humans & Domestic Animals**

CAUTION

Avoid breathing of dust. Avoid contact with skin; wash off. Avoid contamination of food. Harmful if swallowed or inhaled. Keep out of reach of children. Sensitive cats may exhibit temporary but harmless salivation. Avoid treatment of kittens or puppies less than four weeks old.

Note to Physician

Carbaryl is a moderate reversible cholinesterase inhibitor. Atropine sulfate is antidotal.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.
