NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 2781-36."
- b. In reference to PIPERONYL BUTOXIDE, spell out the word "TECHNICAL."
- c. The footnote to PIPERONYL BUTOXIDE should be inserted as a footnote to the ingredient statement and should not be placed between ACTIVE INGREDIENTS and INERT INGREDIENTS.
- d. A percentage sign (%) should be inserted after "6.4" in the PIPERONYL BUTOXIDE footnote.
- e. In reference to the percentage of INERT INGREDIENTS, change "90%" to "90.00%" and align under the existing decimal points.

numbers.

- f. Add the **PHYSICAL AND CHEMICAL HAZARDS** heading to the label and provide the appropriate warning statement on flammability in accordance with Section 156.10(h)(2)(iii) of Title 40 of the Code of Federal Regulations.

3. The submitted product data are not complete. The following data are still required:

- a. Provide the flashpoint and flame extension for your product in Block #9 of the Confidential Statement of Formula.
- b. Provide actual storage stability data on the formulated product with analysis for the active ingredients at time zero and during 1 year of storage. Initially, we require accelerated storage stability data for 30 days at 50 °C on an interim basis. The results of 1-year storage stability tests at ambient warehouse conditions must be received by this Agency within 15 months after the date of this Registration Notice.

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

ACCEPTED
with COMMENTS
in EPA Letter Dated:

JUL 19 1990

Under the Federal Insecticide,
Fungicide and Rodenticide Act of
1947, as amended, this pesticide
has been found to meet EPA Reg. No.

2781-36

DIRECTION FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To control fleas, remove cap and smear 1 streak down the animal's back and belly and streak around the neck. Use as needed. Each treatment controls fleas for 3 days.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION

HUMANS: Avoid eye contact. If in eyes, flush with plenty of water and get medical attention. Wash hands after using. Avoid contamination of food. Harmful if swallowed: Call a physician or poison control center. Drink milk or water. Induce vomiting.

ANIMALS: Do not use on sick animals. Do not use on animals under 4 weeks of age. Avoid using around sensitive areas.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

STORAGE & DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Store in original container in a locked area.

Do not reuse empty container. Wrap container and put in trash collection.
