Dear Mr. Ott:

Subject: Label Amendment
Mitex
EPA Registration Number: 2781-39
Submission Dated: February 10, 1997

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below prior to release for shipment of product bearing the amended labeling:

(1) Include adverse reaction information as required in PR Notice 96-6. Please add the following precautionary statements:

"Sensitivities may occur after using ANY pesticide products for pets. If signs of sensitivity occur, wash the ear with mild soap and consult your veterinarian."

(2) Add the subheading "First Aid" in bold uppercase letters to the list of precautionary statements. The "First Aid" statement must read:

"IF SWALLOWED: Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol."

(3) Place a double asterisk (**) beside the INERT statement. The footnote must read:

"**Contains a Petroleum Distillate."

(4) Delete the word "Let" at the bottom of the first panel.

Jerry Ott
Page 2

Submit two copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

Sincerely,

Marion Johnson
Product Manager 10
Insecticide Branch
Registration Division (7505C)

"READ ENTIRE LABEL BEFORE EACH USE."

USE ONLY ON DOGS AND CATS

DIRECTIONS FOR USE
