Goodyear, AZ 85338

Subject: Amendment Revising First Aid Statements in Compliance with
PR Notice 2001-1
DD-33 Flea & Tick Spray for Dogs and Cats
EPA Reg. No. 2781-41
Your Resubmission Dated August 5, 2003

Dear Mr. Weatherston:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy of the label is enclosed for your records. Please correct the following typographical error in the final printed label before you release the product for shipment:

- The emergency number given in the First Aid section should be "1-800-222-1222."

You should also reformat the flash point data to comply with PR Notice 86-5 and resubmit it, so that the data may be properly identified and tracked in connection with this product's registration.

If you have any questions regarding this action, please contact Susan Stanton of my team at (703) 305-5218.

Sincerely,

A handwritten signature in cursive script that reads "Susan L. Stanton, for".

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION

**Causes moderate eye irritation. Avoid contact with eyes or clothing.
Wash hands thoroughly with soap and water after handling.**

FIRST AID

- IF IN EYES:**
- **Hold eyes open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after five minutes, then continue rinsing the eye.**
 - **Call a poison control center or doctor for treatment advice.**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-8--222-1222 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic animals. Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL AND CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

If empty: Do not reuse this container. Place in trash or offer for recycling if available.
If partially filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

HOLD CONTAINER UPRIGHT, SHAKE WELL BEFORE USING.

This product will kill fleas up to 14 days on dogs and cats, and will kill ticks for 4 days on dogs and 9 days on cats.

Spray animal at a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including legs and underbody. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly.

For cats apply at the rate of 1 second per pound of body weight. For dogs, apply at the rate of 2 seconds per pound of body weight for thin and short haired dogs and up to 8 seconds per pound of body weight for heavy and long haired dogs. For information, call 1-800-326-5225.

Do not spray in pet's eyes, face or on genitalia. Do not use on puppies under 12 weeks of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product on pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.
