

1. Make the following changes to the label:

a. Based on the Agency's product chemistry review (copy attached), revise the ingredient statement to include the statement "Contains Petroleum Distillates" as a footnote below the ingredient statement.

Also, revise the "PHYSICAL HAZARDS" statement to read as follows:

"PHYSICAL AND CHEMICAL HAZARDS:

Flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 degrees F may cause bursting."

b. Based on the Agency's acute toxicity review (copy attached), add the following statement to the HAZARDS TO HUMANS AND DOMESTIC ANIMALS statement:

"Contains petroleum distillate. Vomitting may cause aspiration pneumonia.

Two copies of the finished labeling must be submitted prior to releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. If you have any questions, you may contact Richard J. Gebken, at (703) 305-6701.

Sincerely,

for Richard Gebken

AND DIRECTIONS FOR USE

DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labeling.
READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS
SHAKE WELL BEFORE USING

DIRECTIONS: Clip hair around all affected areas; if necessary, clip entire body. Then wash animal thoroughly with soap and water, rinse and allow animal to dry or wipe dry before application. Spray product on the affected areas, rub in slightly, allow to dry and then apply a second time. Repeat applications at 7-day intervals until the condition clears up.

Do not spray in or towards the eyes; affected areas around the eyes should be treated with care to avoid getting the product into the eyes. **Do Not Use** on puppies younger than 12 weeks, nor on pregnant or nursing bitches. Consult a veterinarian before using this product on debilitated, aged or medicated dogs. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe the dog with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Dogs under treatment should be fed an adequate diet containing all essential vitamins and minerals. To prevent reinestation, change bedding daily. Wash bedding thoroughly after use.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
FOR USE ON DOGS ONLY
CAUTION

Harmful if swallowed, absorbed through the skin or inhaled. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

PHYSICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause container to burst.

To receive information concerning proper use of the product and/or specific actions to be taken in case of emergencies call (800) 345-4735 EPA Reg. No. 2781-51 EPA EST. No. 49830-GA-1

STORAGE AND DISPOSAL
DO NOT CONTAMINATE WATER, FOOD OR FEED BY
STORAGE AND DISPOSAL.

PESTICIDE STORAGE: Store in a cool, dry area, away from heat or flame.
CONTAINER DISPOSAL: Non refillable container. Do not reuse or refill this container. IF EMPTY this container may be recycled in aerosol recycling centers. Before offering for recycling, empty the can by using the product according to the label. **DO NOT PUNCTURE OR INCINERATE.** If recycling is not available place container in the trash. IF PARTLY FILLED: Call your local solid waste agency for disposal instructions.
