Marc Sheahin
Senior Regulatory Specialist, Agent
Decco US Post-Harvest Inc.
1713 S. California Ave.
Monrovia, CA 91016-0120

Subject: PRIA Label Amendment – Addition of stone fruit and tomato uses
Product Name: Decco PROPI Technical
EPA Registration Number: 2792-89
Application Date: 06/16/2025
Case Number: 662005

Dear Marc Sheahin:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or

claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions, please contact Raven Crosby at 202-566-0829 or at crosby.raven@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Manjula Unnikrishnan", written in a cursive style.

PRECAUTIONARY STATEMENTS

Hazards to Human and Domestic Animals

WARNING. May be fatal if swallowed. Harmful if absorbed through the skin. Avoid contact with the skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment (PPE)

Applicators and other handlers must wear:

- Long-sleeved shirt and long pants
- Appropriate chemical and water-resistant gloves and apron
- Shoes plus socks

User Safety Requirements

Discard clothing and other absorbent materials that have been drenched or contaminated with this product. **DO NOT** reuse them. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry

User Safety Recommendations

User should:

- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

Environmental Hazards

This product is toxic to fish and shrimp. **DO NOT** apply directly to water or to areas where surface water is present, or to intertidal areas below the mean high-water mark. **DO NOT** contaminate water when cleaning equipment or disposing of equipment wash water. Refer to product labeling for use restrictions to protect endangered species.

DIRECTIONS FOR USE

It is violation of Federal Law to use this product in a manner inconsistent with its labeling. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into fungicides for the following uses:

- (1) Post-harvest citrus (Crop Group 10-10), post-harvest stone fruit (Crop Group 12-12), and post-harvest tomato
- (2) Uses for which USEPA has accepted the required data and/or citations of data, that the formulator has submitted in support of registration; and
- (3) Uses for experimental purposes that are in compliance with USEPA

Unless packaged in water-soluble packaging, **DO NOT** formulate into wettable powder end-use products.

DO NOT formulate into end-use products for use in carpet fibers, apparel, and furnishings (except shower curtains).

DO NOT formulate into paints and stains unless the maximum concentration of propiconazole is less than or equal to 0.125% by weight.

NOTE TO FORMULATORS: Formulators must provide data to support registration of products formulated from Decco PROPI Technical.

PRODUCT INFORMATION

FAILURE TO FOLLOW DIRECTION AND PRECAUTIONS ON THIS LABEL MAY RESULT IN CROP INJURY, POOR DISEASE CONTROL, OR ILLEGAL RESIDUE.

This product is a broad-spectrum fungicide used to aid in control of several post-harvest diseases in citrus post-harvest treatment facilities.

STORAGE AND DISPOSAL

DO NOT contaminate water, food, or feed by storage or disposal.

Pesticide Storage

DO NOT store near heat or open flame. Store in original containers only. Keep container closed when not in use.

DO NOT store near food or feed. In case of spill on floor or paved surfaces, mop and remove to chemical waste storage area until proper disposal can be made if product cannot be used according to the label. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal waste.

Pesticide Disposal

Waste resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Handling

Non-refillable container. DO NOT reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follow: empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container $\frac{1}{4}$ full with water and recap. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, or by other procedures approved by state and local authorities.

CONTAINER IS NOT SAFE FOR FOOD, FEED OR DRINKING WATER.

WARRANTY AND DISCLAIMER

DECCO US POST-HARVEST INC. warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the risks referred to therein. DECCO US POST-HARVEST INC. MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. TO THE EXTENT ALLOWED BY APPLICABLE LAW, IN NO CASE SHALL DECCO US POST-HARVEST INC.
