Humco Holding Group, Inc.
7400 Alumax Drive
Texarkana, TX 75501

APR 21 1998

Attention: Mr. Stephen H. Bryant

Subject: Moth Balls
EPA Reg. No. 2800-6
Your letter of April 15, 1998

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the following changes and submit one (1) copy to us before you ship your product:

1. Revise your Ingredient Statement as follows:

Active Ingredient	
Naphthalene	99.95%
Inert Ingredients	0.05%
TOTAL	100.00%

2. All text must be at least 6 point. See attached sheet for other minimum requirements.

3. Add the following two sentences to your "WARNING":

Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Dan Peacock, Biologist
Insecticide-Rodenticide Branch
Registration Division (H7504C)

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals.

WARNING: May be fatal if inhaled. Harmful if swallowed. Avoid breathing vapors or dust. Avoid contact with skin, eyes or clothing.

FIRST AID

If inhaled: Move victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention.

If swallowed: Call a physician or Poison Control Center. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

If in eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

If on skin: Wash with plenty of soap and water, call a physician if irritation persists.

NOTE TO PHYSICIAN

If breathing is difficult, give oxygen.

STORAGE AND DISPOSAL

Storage: Store in original container in dry place inaccessible to children and pets.
Disposal: Do not reuse empty container. Securely wrap container in newspaper and discard in trash.

EPA REG. NO. 2800-6
EPA EST. NO 11664-TX-1

NDC 0395-1703-14

To kill eggs, larvae, and adults of clothes moths in air-tight containers and storage closets.

ACTIVE INGREDIENTS: Naphthalene.....98.9%
INERT INGREDIENTS:.....0.1%
TOTAL.....100.0%

WARNING: KEEP OUT OF THE REACH OF CHILDREN. See left panel for additional precautionary statements.

ACCEPTED
with COMMENTS
in EPA Letter Dated:

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO KILL CLOTHES MOTHS
Use Restrictions: To kill eggs, larvae, adults of clothes moths in clean, air-tight containers (e.g., chests and trunks), garment bags, and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this Naphthalene-containing product with any other moth control chemical. For use only on cloth containing wool or wool blends.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.

Application Directions: Apply product in clean, air-tight containers, bags and closets listed above at the following rates:

Pounds of product	Area of tightly enclosed space
1/4 lb.	Average garment bag
1/3 lb.	Large trunk
1 lb.	50 cubic feet (small closet)

For larger closets, multiply the height, width, and depth of the space and divide by 50 to determine the number of pounds of product needed. For example, a closet 6 feet high, 4 feet wide, and 3 feet deep (i.e., 96 cubic feet) would need about 2 pounds of product (96/50=1.9).

Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor disappears when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers, bags and closets 2 times a year.
