DIRECTIONS FOR USE

For general cleansing, deodorizing: Add 3 oz. per gallon of water, apply with a mop, brush or cloth so as to thoroughly wet all surfaces. Apply to floors, walls, wherever clamp mopping is done. Also for animal quarters.

For disinfection of toilet seats, rest room floors, shower stalls, corridors, lunchroom floors, garbage cans and locker rooms, use 4 oz. per gallon of water, wet all surfaces thoroughly as above and keep surfaces wet for at least 5 minutes.

For laundry and launderette usage as a sanitizer and to help freshen the laundry, add 1 cup at the start of the final rinse cycle for normal size washers (approx. 15 gallons of water).

No need to add soap or detergent for effective disinfecting. MINT-O-MINT contains a powerful, nonionic detergent for better cleaning capability.

Mildew Control: MINT-O-MINT is an effective mildew control agent for hard surfaces (plastic, enamel, tile, porcelain) when applied to previously cleaned surfaces at 3 oz/gal. Repeat applications as needed or every seven days.

• • •

MINT-O-MINT is effective against a wide variety of grampositive bacteria, gram-negative bacteria and pathogenic fungi.

MINT-O-MINT is also an excellent deodorant. Use it anywhere unpleasant odors originate.

MINT-O-MINT is especially recommended for general disinfecting use and cleaning in nursing homes, schools, building maintenance, hospitals, kennels and other pet animal shelters.

MINT-O-MINT mixes readily with water and makes a clean, stable solution. It has a pleasant mint odor.

WARNING: May cause skin irritation or damage to the eyes. Do not get in eyes; avoid skin contact. In case of contact, wash thoroughly with water. If irritation persists, get medical attention. Avoid contamination of food or foodstuffs. Harmful if swallowed.

Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.
