

# Vinyzene® BP-5DIDP

**Bacteriostatic & Fungistatic Additive for Vinyl Compounds**

## CAUTION

**Keep Out of Reach of Children** — Do not allow in direct contact with skin. Do not allow material to be splashed in eyes. Avoid contact with clothing. Harmful if swallowed.

If splashed on skin, wash thoroughly with soap and water. If splashed in eyes, wash eyes immediately with copious amounts of water and secure medical attention immediately. Wash after handling.

This product is toxic to fish and wildlife. Treated effluent should not be discharged where it will drain into lakes, streams, ponds or public water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place.

## DIRECTIONS FOR USE

A level of 3% VINYZENE BP-5DIDP, based on total weight of formulation, will give excellent control against bacteria and mold organisms. This level is recommended for shower curtains, wall coverings, mattress covers, windbreakers and similar items. VINYZENE BP-5DIDP may be used at a level of 3 percent in vinyl films to be employed in the manufacture of baby pants. EPA has specified that the plasticizers used in baby pants films be FDA approved. Add to vinyl formulation in place of an equivalent amount of plasticizer.

For certain vinyl items which may be subjected to extended outdoor weathering, a level of 5% VINYZENE BP-5DIDP should be evaluated. Such items would include vinyl tarpaulins procured by military and naval agencies for protection on items subjected to extended outdoor storage.

## NOTICE TO USER

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### Active Ingredients:

10,10'-oxybisphenoxarsine 1.0%  
(Total arsenic as elemental as - 0.30%)  
(Water soluble arsenic as elemental  
as - Less than 0.01%)

### Inert Ingredients:

99.0%  
100.0%
