Thomas C. McEntee  
Morton International Inc.  
150 Andover Street  
Danvers, MA 01923

Dear Mr. McEntee:

Subject: Vinyzene<sup>R</sup> BP 55 DIDP  
EPA Reg. No. 2829-125  
Re: Label Amendments  
Your Submission dated July 18, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Five copies of your finished labeling must be submitted prior to releasing the product for shipment.

NAME CHANGE

The Agency does not object to a change in basic name from "Vinyzene<sup>R</sup> BP 55 DIDP" to "Vinyzene BP 505 DIDP". In the future, please refer to EPA Reg. No. 2829-125 as the latter.

COMMENTS

1. Please update your "Statements of Practical Treatment" to read: "if swallowed: Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available drink large quantities of water. Get medical attention."
2. Please update your "Environmental Hazards" statement to read: "Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark". "Do not contaminate water when disposing of equipment washwaters."
