 Danvers, MA 01923

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Under section 3(c)(7)(A) of the Act, you are required to:

1. Submit/date all data required for registration or reregistration of your product under FIFRA section 3(c)(5) or 3(a) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below on all future shipments:
 - a. Add the phrase "EPA Reg. No. 2829-127"
 - b. Modify the Precautionary Statement to read as follows:

BEST AVAILABLE COPY

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL _____ DATE 5/1/91

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive; causes eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles and rubber gloves when handling. Harmful or fatal if swallowed. Avoid breathing mists or dust. Wash thoroughly with soap and water after handling. Remove and launder contaminated clothing before reuse.

See right panel for additional precautions

STATEMENT OF PRACTICAL TREATMENT

If swallowed: Drink promptly a large quantity of water. Do Not induce vomiting. Get medical attention.

If in eyes: Flush with plenty of water for 15 minutes. Get medical attention.

If on skin: Wash with plenty of soap and water. Get medical attention.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate certain treatments.

ENVIRONMENTAL HAZARD

Keep out of lakes, streams and ponds. Do not contaminate water with washwater.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Triple rinse for recycling. Metal drums that cannot be reconditioned and are not to be crushed and disposed of in a landfill, or other procedures approved by the EPA.

Pesticide wastes are toxic. Improper disposal of excess pesticide, spray material, or empty containers is a violation of Federal Law. If these wastes cannot be disposed of in accordance with the instructions, contact your State pesticide or Environmental Control Agency. Waste representative at the nearest EPA Regional Office for guidance.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with the label.

A level of 3% VINYZENE IT 3000 DIDP based on total weight of formulation is recommended for control against bacteria and mold organisms. This level is recommended for use on coverings, mattress covers, and similar items.

For certain vinyl items which may be subjected to extended outdoor use, VINYZENE IT 3000 DIDP should be evaluated. Such items would include vinyl covers for military and naval agencies for protection on items subjected to outdoor use. Vinyzene IT 3000 DIDP can be added at any stage of the blending process.

Seller makes no warranty, expressed or implied, concerning the use of this product. Buyer assumes all risks of use and/or handling of this material when such use and handling are not in accordance with the instructions.
