Mr. Thomas C. McEntee
Morton International, Inc.
150 Andover Street
Danvers, MA 01923-1480

Dear Mr. McEntee:

Subject: Vinyzene SB-8
EPA Registration No. 2829-133
Your Letter Received October 16, 1996, Request for
Acceptance of Reformatted Label and Your Letter
Letter Dated November 15, 1996, Resubmission of
Labeling To Reflect Comments

The proposed labeling submitted with your letter
of November 15, 1996 has been reviewed and found acceptable
for registration under the Federal Insecticide, Fungicide
and Rodenticide Act as amended provided that you:

1. Submit one (1) printed copy of the final printed label before releasing the product for shipment,
2. Correct the typographical error in the "Statement of Practical Treatment" section. The word "if" must be capitalized as used.
3. Remove the asterisks from the child warning statement and the "read this label" statement; and remove the colon following the signal word.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA, Section 6(e). Your release for shipment of the product constitutes acceptance of this condition.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

STATEMENT OF PRACTICAL TREATMENT

If swallowed: drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention. If in eyes: Flush with plenty of water for 15 minutes. Get medical attention.

if on skin: Wash with plenty of soap and water. Get medical attention.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not discharge this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge this product in sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA. Do not contaminate water by cleaning of equipment or disposal of waste. Apply this pesticide only as specified on this label.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Triple rinse empty containers and offer for recycling. Container Disposal: Metal drums that cannot be reconditioned and recycled, should be punctured or crushed and disposed of in a landfill, or other procedures approved by state and local authorities.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticides, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

DIRECTIONS FOR USE: NOTICE TO USERS: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

INTERIOR APPLICATIONS: Such as PVC flooring and wallcoverings, coated fabrics for upholstery, interior automotive parts, refrigerator gaskets, shower curtains, and mattress covers. Use 1.2% of Vinylene SB-8 based upon the total weight of the formulation (12 lbs./1000/lbs of compound).

EXTERIOR APPLICATIONS: Such as automotive landau tops, exterior automotive trim, tarpaulins, awnings, ditch and pond liners, marine upholstery, swimming pool liners, use 2.0% of Vinylene SB-8 based upon the total weight of the formulation (20 lbs./1000lbs. of compound).

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risks of use and/or handling of this material when such use and/or handling is contrary to label instructions.
