ACCEPTED

-7 OCT 1994

Under the provisions of the Federal Insecticide, Fungicide, and Rodenticide Act, this product is registered for the control of _____

2829-139

VINYZENE® 1 PLASTIC ADDITIVE "B"

A preservative bacterostatic agent for use in the manufacture of polymer plastic and latex products.

ACTIVE INGREDIENT

5-Chloro-2-(2,4 dichlorophenoxy phenol).....99%
 Inert ingredients..... 1%

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

This additive is to be used only for compounding of proprietary and/or patented resin formations under written agreement and in accord with specific instructions issued by Morton International, Inc. Specific directions for reformation will be found in technical bulletins supplied by Morton International, Inc.

STORAGE AND DISPOSAL

Store below 130°F. Do not contaminate water, food, or feed by storage or disposal. Wastes from the use of this product may be disposed of on site or at an approved waste disposal facility. Completely empty liner by shaking and tapping sides and bottom to lessen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. Drum cannot be reused, dispose of in the same manner.

For minor spills, shovel into approved disposal container, vacuum contaminated areas. Avoid creating dusty conditions. Take special care to avoid contamination of equipment and facilities during clean up procedures and disposal of wastes.

Consult Federal, State, and Local Authorities for approved alternative procedures.

PRECAUTIONARY STATEMENTS

Hazard to Humans

Danger: Corrosive. Causes eye and skin damage. Do not get in eyes, on skin, or on clothing. Avoid breathing dust. Use with adequate ventilation. Wear goggles or face shield and rubber gloves when handling. Harmful or may be fatal if swallowed.

DANGER

KEEP OUT OF REACH OF CHILDREN

EPA REG. NO. 2829-139

EPA EST. NO 2829-IL -1

FIRST AID

In case of contact with skin or eyes flush with plenty of water for at least 15 minutes and call a physician. If swallowed, promptly drink large quantities of water. Avoid alcohol. Get medical attention. Do not attempt to give fluids to an unconscious person. Note to physician: Probable mucosal damage, may contraindicate the use of gastric lavage.

ENVIRONMENTAL HAZARD

This pesticide is toxic to fish and aquatic organisms. Do not discharge into lakes, streams, ponds, estuaries, oceans or other public waters unless in accordance with the requirements of a National Pollution Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.
