Vinyzene® SB-30

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Thomas C. McEntee
Technical Manager Biocides
Morton International, Inc.
150 Andover Street
Danvers, MA 01923

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Antimicrobials Division prior to the use of the label in commerce. In any correspondence on this product always refer to the above EPA regulation number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following changes to the label:
Under **Precautionary Statements** add the following: "Harmful if swallowed. Wash thoroughly with soap and water after handling."
Under **Statements of Practical Treatment** add the following:
"If swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger, or if available, by administering syrup of ipecac. If person is unconscious, do not give anything by mouth and do not induce vomiting."
3. Revise the EPA Registration Number to read, "EPA Reg. No. 2829-145".
4. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label and the acute toxicity review are enclosed for your records.

Morton Plastics Additives
150 Andover Street, Danvers, MA 01923-1480 508/774/3100
For medical emergency call CHEMTREC 1-800/424-9300

STATEMENT OF PRACTICAL TREATMENT If eye contact occurs, flush immediately with water for at least 15 minutes. Call a physician. If inhaled remove to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Call a physician. If skin contact occurs, wash thoroughly with soap and water. If skin irritation occurs, call a physician. If swallowed, induce vomiting.

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Triple rinse empty containers and offer for recycling. Container Disposal: Metal drums that cannot be reconditioned and recycled, should be punctured or crushed and disposed of in a landfill, or other procedures approved by state and local authorities.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticides, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

DIRECTIONS FOR USE: Blend 1% to 2.5% into Polyethylene, Polypropylene or PVC compound before melt-mix processing into sheet, profile, fiber, etc.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risks of use and/or handling of this material when such use and/or handling is contrary to label instructions.
