

A PHENOLIC GERMICIDE FOR BROAD SPECTRUM SANITATION

A powerful phenolic germicide...
...a wide spectrum of both
...positive and gram negative
...bacteria.

NAPASCO Mint Oil is an excellent
...material for hospitals,
...medical buildings, schools, churches and public
buildings.

Complete emulsion miscibility
with water provides effective
cleaning, sanitation and re-
freshing fragrance. Fast penet-
rating action assures effective-
ness in cracks and pores.
