

DESCRIPTION

NAPASCO BRAND STAPHEX is an activated germicidal cleaner showing a phenol coefficient of 15 against *Salmonella typhosa*. This product can be used by motels, hotels, schools, universities and all institutions.

Also effective against a broad spectrum of gram-positive and gram-negative bacteria. Conforms to the specifications of A.O.A.C. use dilution test against *S. choleraesuis* at 1:128 dilution.

NAPASCO BRAND STAPHEX cleaning system is formulated with heavy duty builders and synthetic detergents for easy cleaning of heavy soil buildup and stripping of oxidized polymerized old wax residues.

STAPHEX is conductive and will not adversely affect the conductivity of hospital operating room floors.

This dual purpose product provides more cleaning and sanitation economy than single purpose disinfectants and cleaners.

DANGER—KEEP OUT OF REACH OF CHILDREN

Corrosive. Causes eye damage and severe skin irritation. Avoid breathing spray mist. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling concentrate. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatine solution, or if these are not available, drink large quantities of water. Avoid alcohol and call a physician.

Rinse empty container thoroughly with water and discard it.
