f. Move the "KEEP OUT OF REACH OF CHILDREN" to a position appearing immediately above the front panel signal word.

g. As discussed via telephone add "FOR COMMERCIAL/INDUSTRIAL USE ONLY" or some similar phrase to the front panel. The type size requirements for this phrase are the same as for the "KEEP OUT OF REACH OF CHILDREN".

h. Insert "and the non-food areas of" in between "Homes," and "Institutions" on the front panel labeling claims.

i. "Diazinon" is now the common accepted name for the residual in this product. Either insert "Diazinon" immediately preceding the chemical name or insert "Diazinon" instead of the chemical name, footnoting the chemical name at the bottom of the ingredients statement.

j. A Statement of Practical Treatment must be added to the labeling. We suggest the following statement, however, if your toxicological data suggests otherwise, please submit a draft Statement of Practical Treatment for prior approval.

**"STATEMENT OF PRACTICAL TREATMENT"**

If swallowed-Call a physician or Poison Control Center immediately.

Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

If inhaled- Remove victim to fresh air. Apply artificial respiration if indicated.

If on skin- Remove contaminated clothing and wash affected areas with soap and water.

If in eyes- Flush eyes with plenty of water. Call a physician if irritation persists."
