

**WARNING:** May be fatal if swallowed! Do not get in eyes or on skin. Do not breathe dust or spray mist. Coarse sprays are less likely to drift. Wash thoroughly after handling. Keep children and domestic animals off treated areas. Do not graze treated areas or feed livestock treated forage. Keep away from children and domestic animals.

**ANTIDOTE**

**EXTERNAL:** If spilled on skin, wash off immediately with plenty of soap and cold water. If in eyes, flush out with water and call doctor immediately.

**INTERNAL:** If swallowed, give raw white of egg. Induce vomiting with a mixture of salt, soap or mustard in warm water. Call doctor at once.

**NON WARRANTY:** Vineland Chemical Company and seller warrant that the material will conform to ingredients indicated on label, but make no other warranty implied or expressed. Neither Vineland Chemical Company nor seller shall be held responsible for personal injury, property damage or other loss resulting from the handling, storage or use of this material, or from a not in accordance with directions. Buyer or user assumes all liability for use and accepts responsibility for any damage or injury. No person is authorized to sell this material.

## DIRECTIONS

VI-CAD is a liquid turf grass fungicide for prevention and control of Dollar Spot, Copper Spot, Pink Patch, Helminthosporium and Curvularia (leaf spot) in fine turf areas. May be used in bent grass. Will not harm sensitive grasses. VI-CAD mixes in water quickly and thoroughly; remains in solution leaving no residue in spray tank.

## RATE OF APPLICATION

| Rate    | Amount of Water | Area Covered |
|---------|-----------------|--------------|
| 1 ounce | 5-10 gallons    | 1000 sq. ft. |

Apply at 10 day intervals throughout turf disease season

Soil should be moist before treatment. During drought or extreme heat when soil and plant moisture are low moderate watering with 1/2 oz. VICHEM "958" Wetting Agent per 1000 sq. ft. is recommended to put water in presence of thatch where disease organisms live.

Before using any Fungicides, stop and read the label
