USE DAL-E-RAD 70 along drainage ditchbanks, rights-of-way, implement storage yards and similar non-crop areas where cultivation is not practical. Mix at the rate of 4 pints of DAL-E-RAD 70 with 40 gallons of water and 2 pints of a suitable surfactant to treat one acre.

USE IN ACCORDANCE WITH DIRECTIONS, WARNING AND CAUTION

WARNING: Do not spray or allow to drift onto desirable flowers, trees, shrubs, vegetables, or into lakes or streams. Coarse sprays are less likely to drift. Do not store near fertilizer, fungicides, insecticides or seeds.

CAUTION: Do not get in eyes or on the skin. If spilled on skin, wash off immediately with warm water and soap. Flush eyes with clear water. Avoid any inhalation of spray mist. Avoid contamination of feed, foodstuffs, streams or other water sources. Keep beyond reach of children and domestic animals. Keep children and domestic animals off treated areas. Wash hands after using. Harmful if swallowed. Do not graze treated areas or feed livestock treated forage.

ANTIDOTE: If taken internally, induce vomiting and call a physician at once.

NON WARRANTY: Vineland Chemical Company and seller warrant that this material will conform to ingredients indicated on label, but make no other warranty implied or expressed. Neither Vineland Chemical Company nor seller shall be held responsible for personal injury, property damage or other loss resulting from the handling, storage, use or misuse of this product, whether or not in accordance with directions. Buyer assumes all risks and liability resulting from handling or use of the product, unless written notice of unsatisfactory condition is received within ten days after purchase. Seller does not waive this notice.
