NET WEIGHT 50 LBS.

DAL-E-RAD+2 kills Dallis Grass, Ball Grass, Sedge, Lemon Grass. Kills Chickweed, Danthonia, Plantain, Knotweed, Purslane, Spotted Spurge, Large Leaf Spurge, Pennywort and Beggar Weed.

FOR BEST RESULTS SOIL SHOULD BE MOIST AT THE TIME OF APPLICATION. Dry soil may not allow desirable turf to resist the action of chemicals. WATER THOROUGHLY BEFORE TREATMENT.

Rate		Amount Water	Area Covered
80°-85°	Over 85°		
2 Oz.	1-1/3 Oz.	1 to 2 gals.	1,000 sq. ft.
1 1/2 lbs.	1 lb.	10 to 25 gals.	10,000 sq. ft.
6 lbs.	4 lbs.	40 to 100 gals.	1 Acre

Normal rainfall following application will not adversely affect results. Resume keeping soil moist day after application and especially during hot, dry weather.

NEW TURF should not be treated until the third mowing. DAL-E-RAD+2 is best to apply early summer after Dallis Grass has come up. Since all seeds do not germinate at the same time, it may be necessary for one or more additional treatments at 10 to 14 day intervals.

Do not use on St. Augustine, Carpet, Centipede, Bent, Dichondra and Bahia grasses.

Should the Bermuda or Zoysia Turf discolor, normal color will return in a few days.

Clear equipment after use by flushing with water. Run rinse water in area away from domestic water sources.

**USE IN ACCORDANCE WITH DIRECTIONS, WARNING AND CAUTION**

**WARNING:** Do not spray or allow to drift onto desirable flowers, trees, shrubs, vegetables, or into lakes or streams. Coarse sprays are less likely to drift. Do not store near fertilizer, fungicides, insecticides or seeds.

**CAUTION:** Do not get in eyes or on the skin. If spilled on skin, wash off immediately with warm water and soap. Flush eyes with clear water. Avoid any inhalation of spray mist. Avoid contamination of feed, food-stuffs, streams or other water sources. Keep beyond reach of children and domestic animals. Keep children and animals off treated areas until washed into soil. Do not graze treated areas or feed livestock treated forage. Wash hands after using. Harmful if swallowed.

**ANTIDOTE:** If taken internally, induce vomiting and call a physician at once.

**NON WARRANTY:** Vineland Chemical Company and seller warrant that this material will conform to ingredients indicated on label, but make no other warranty implied or expressed. Neither Vineland Chemical Company nor seller shall be held responsible for personal injury, property damage or other loss resulting from the handling, storage or use of the product, whether or not in accordance with directions.
