

LYSTADS

STERI-CLEAN is a completely modern soapless quarternary ammonium compound, coupled with a highly efficient detergent to give an economical multi-purpose disinfectant cleaner for hospital and institutional use.

STERI-CLEAN is low foaming and unaffected by hard water.

STERI-CLEAN is especially effective for house-keeping in hospitals, nursing homes, and other institutions. It has excellent deodorizing properties and destroys odors by chemical reaction rather than by masking.

STERI-CLEAN is recommended for use on most environmental surfaces. It will not remove wax or other protective coatings when used according to directions.

EPA Reg. No. 2881-40
EPA Est. 5579-ND-1

NET CONTENTS: 1 Gallon

DETERGENT - DISINFECTANT - DEODORANT

ACTIVE INGREDIENTS:

Alkyl (C14-50%, C12-40%, C16-10%) Dimethyl
Benzyl Ammonium Chlorides 5.00%
Sodium Carbonate 2.00%
Tetrasodium ethylene diamine tetraacetate 0.84%

*INERT INGREDIENTS: 92.16%

PHENOL COEFFICIENT: 100.00%

Staphylococcus aureus 25
ATCC No. 6538

Salmonella typhosa 25
ATCC No. 6539

Use dilution test show it to be very effective at one oz. per gal. against: Staphylococcus aureus, Salmonella choleraesuis, and Pseudomonos aeruginosa.

WARNING Keep Out of Reach of Children

Irritating to eyes and skin. Do not get in eyes, mucous membrane, or on skin. In case of contact, wash with plenty of water. If eye irritation persists, obtain medical attention. Harmful if swallowed. Avoid contamination of food.

DIRECTIONS FOR USE

FLOORS: Use one or two ounces per gallon of water, depending on amount of soil. Mop or scrub floors, replace with a fresh solution when water becomes visibly soiled. Do not rinse with clean water.

WALLS: Use at one ounce per gallon of water. Remove excess cleaning solution by squeezing sponge as dry as possible and wiping cleaned area.

FURNITURE AND EQUIPMENT: Use at one ounce per gallon of water. Scrub and wipe dry with sponge.

DO NOT MIX STERI-CLEAN WITH SOAPS OR OTHER DETERGENTS. THE GERMICIDAL ACTIVITY MAY BE REDUCED BY INCOMPATIBILITY.

Contains Biodegradable Detergents

Rinse empty container thoroughly with water and discard it.

*Including Detergents.
