Sodium Fluoroborate	34.45%
INERT INGREDIENTS	55.55%
TOTAL	100%

*Equivalent to .68% Octachloro-4,7-methylenetetra-
hydro-1,4-dioxin (DDE) relative compounds.

NET CONTENTS 10 OZS.

DIRECTIONS FOR USE

Apply SHEPARD'S ROACH KILLER in all cracks and crevices around baseboards, moldings, shelves, doors, water pipes, and heat ducts. Also apply powder to surfaces behind sinks, refrigerators, stoves, and cabinets that are not accessible to children and pets.

CAUTION

Harmful if swallowed; avoid breathing of dust. Avoid contact with skin, eyes, or clothing. Wash after handling. Do not contaminate or store near feed or foodstuffs.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes. Do not use in food processing plants or commercial food preparation areas.

Dust only, in areas not accessible to children and pets.

ANTIDOTE: If swallowed, give a tablespoonful of salt in a glass of warm water and repeat until vomit fluid is clear. Call a physician immediately.
