NOV 19 2003

Mr. Dale Siebenmorgen
Technical Director
Cramer Products, Inc.
153 W. Warren
Gardner, Kansas 66030

Subject: Cramer/Matt Kleen
EPA Registration No. 2909-5
Application Date: 8/18/03
Receipt Date: 8/25/03

Dear Mr Cramer:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable:

Response to PR Notice 2001-1

LABEL COMMENTS

- Under the Ingredient Statement, insert the word "TOTAL" directly under "Inert Ingredients".
- For container size one gallon or less, use the following Storage and Disposal statements: store in original container in areas inaccessible to small children. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Wrap and discard in trash (or recycle).
- You must supply separate cleaning directions.

GENERAL COMMENTS

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed label before distributing or selling the product bearing the revised labeling.

Matt-Kleen™

Disinfectant Cleaner (Fungicidal)

Matt-Kleen disinfectant cleaner effectively removes blood, sweat and other body fluids from hard and porous surfaces to minimize cross contamination. It is designed for cleaning, disinfecting and sanitizing wrestling mats and pads, gymnastic mats, head gear and other contaminated equipment and surfaces.

Matt-Kleen may also be used to disinfect training rooms, locker rooms, showers, washrooms, and other athletic facilities. When used as directed on inanimate hard surfaces, Matt-Kleen is effective against *Staphylococcus aureus*, *Salmonella Choleraesuis*, *Pseudomonas aeruginosa*, *Streptococcus faecalis*, *Escherichia coli*, *Salmonella typhosa*, pathogenic fungi, *Trichophyton interdigitale* (athlete's foot fungi), Herpes simplex, Influenza A₂, Adenovirus type 2 and Vaccinia viruses.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS: Add two fl. oz. (60cc) of Matt-Kleen disinfectant cleaner to one gallon of warm water and mix well. Apply with a cloth or mop and wet entire surface thoroughly, then wipe clean. No rinsing is required. For added convenience, a pump sprayer may be used; simply spray until thoroughly wet and wipe clean. For heavy soil or organic matter, a pre-cleaning step is recommended. Note: Be sure to follow dilution directions carefully. Changing the ratio of Matt-Kleen to water may reduce its effectiveness or cause damage to surface being cleaned.
