PROFESSIONAL Exterminators & Fum

RATS and MICE

CONSULT THE YELLOW PAGES IN YOUR PHONE BO

NET WT. 3 lbs.

LYSTADS

INJECTION

GENERAL DIRECTIONS

Place baits in locations where rats and mice feed, water and/or travel.

Bait placements along walls, in corners, and in concealed locations where rats and mice can feed unobserved are desirable.

Contaminated or spoiled baits should be replaced promptly.

SPECIAL DIRECTIONS

Where a continuous source of infestation is present (nearby dumps, permanent bait stations should be established and the bait replenished as needed.

DIRECTIONS FOR RAT CONTROL

Place (4 to 16 ounces) of bait per placement.

An uninterrupted supply of bait should be maintained for at least 10 days.

DIRECTIONS FOR MOUSE CONTROL

Tablespoon amounts (1/4 to 1/2 ounce) of bait should be placed at 8 to 12 foot intervals.

An uninterrupted supply of bait should be maintained for at least 15 days.

TARGET ANIMALS

- a) Norway rats (*Rattus norvegicus*)
- b) Roof rats (*Rattus rattus*)
- c) House mice (*Mus musculus*)

CAUTION

KEEP OUT OF REACH OF CHILDREN

This product contains an anticoagulant material as its active ingredient which if taken continuously, by humans or animals will produce internal hemorrhaging.

Treated baits should be placed in locations not accessible to children, pets, wildlife and domestic animals, or in tamper-proof bait boxes.

Keep out of lakes, streams or ponds — Do not contaminate water by cleaning of equipment, or disposal of wastes — Apply this product only as specified on this label.

Should bait be taken, give patient one tablespoon of salt in a glass of warm water as emetic. Continue this until vomit fluid is clear. CALL PHYSICIAN IMMEDIATELY.

NOTE FOR PHYSICIAN

Where humans have ingested this material intravenous injections and oral doses of vitamin K combined with blood transfusions are advisable.

NON WARRANTY

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.
