Subject: Perfumed Deodorant Block (product numbers 645 and 648)  
EPA Reg. No. 2915-26  
Your letter of July 2, 1998

Dear Ms. Wagle:

We have received the above revised labeling submitted under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended. The results of our review of these documents follow:

1. Revised Labeling. The labeling referred to above is acceptable provided that you make the following changes and submit one (1) copy before you ship product.

- A. Revise the amount of active ingredient to "99.2" and the amount of inert to "0.8."
- B. Replace "Statement of Practical Treatment" with "First Aid"
- C. Add the Storage and Disposal Section as follows:

**Storage and Disposal**

Storage: Store only in original container in a cool, dry place inaccessible to children and pets.

Disposal: Do not reuse empty container [or packaging].

Securely wrap in newspaper and discard in trash.

- D. In the *Directions for Use* section, replace "to kill" with "kills".

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions. A stamped copy of the label is provided for your records.

2044

2. Revised CSF. The Confidential Statement of Formula (CSF), dated June 15, 1998, submitted in connection with registration under FIFRA, as amended, is not acceptable for the following reasons:

The upper and lower certified limits of Paradichlorobenzene should be 99.8 and 96.8, respectively.

If you have questions about this letter, please contact Amy Caicedo at (703) 308-9399.

Sincerely,

Daniel B. Peacock, Biologist

## PERFUMED DEODORANT BLOCK

*For Use in Hang-Up Case*

**Directions for use:** It is a violation of federal law to use this product in a manner inconsistent with its labeling. Remove cellophane wrapping, place block in Hang-Up Case, close cover and hang. Deodorant Block overcomes unpleasant bathroom and kitchen odors. Moth Block effectively controls clothes moth and carpet beetles. Brush clothes thoroughly before storing. Use one block for every 30 cubic feet. Hang block at top of storage area if possible. Keep storage area tightly closed at all times or for at least seven days after hanging. Odor quickly disappears from clothing upon removal from storage area.

DO NOT HANG AGAINST PLASTIC TILE

**STORAGE AND DISPOSAL:** Store at 40° to 50° F in original container. Keep in locked area free of plants and animals, inaccessible to children.

**Pesticide Disposal:** Securely wrap original container in several layers of newspaper and discard in trash.

**Container Disposal:** Do not reuse bag. Discard in trash.

**NOTICE:** This product contains a chemical known to the state of California to cause cancer.
