Ms. Elaine Wagle
Regulatory Affairs Coordinator
The Fuller Brush Company
P.O. Box 729
Great Bend, Kansas 67530

Subject: Perfumed Deodorant Block
EPA Reg. No. 2915-26
Revised Labeling
Your letter of February 15, 1999

Dear Ms. Wagle:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the following change and submit one (1) copy of final printed labeling to us before you ship your product:

1. Revise your label text to be set in 6-point or larger type. Refer to enclosure for guidance on minimum type size requirements.

This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

Daniel B. Peacock, Biologist
Insecticide-Rodenticide Branch
Registration Division (7504C)

PERFUMED DEODORANT BLOCK For Use in Hang-Up Case

Directions for use: It is a violation of federal law to use this product in a manner inconsistent with its labeling.
Use Restrictions: Kills clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g., chests and trunks), garment bags and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. As Paradichlorobenzene damages some plastics, do not use in plastic garment bags. For use only on cloth containing wool or wool blends.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.
Application Directions: Apply product in clean, air-tight containers, bags and closets listed above. Use one block for every 30 cubic feet. For larger closets, multiply the height, width and depth of the space and divide by 30 to determine the number of blocks needed. For example, a closet 8 feet high, 4 feet wide, and 3 feet deep (i.e. 96 cubic feet) would need about 3 blocks (96/30=3.2).

Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers, bags and closets 2 times a year.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin and respiratory tract irritation. Wear safety glasses. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

FIRST AID

If Swallowed: Call a physician or Poison Control Center. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of water. Avoid alcohol.

If On Skin: Wash with plenty of soap and water. If symptoms persist, get medical attention.

If In Eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

Storage: Store only in original container, in a cool, dry place inaccessible to children and pets. Disposal: Do not reuse empty packaging. Securely wrap in newspaper and discard in trash.
