Attention: Ms. Elaine Wagle

Subject: Perfumed Moth Block
EPA Reg. No. 2915-26
Your amended application of December 24, 2003
Revised label and Confidential Statement of Formula (CSF)

Purpose The purpose of this submission under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) is to revise your label and add two alternate fragrances to your formula.

CSF Before we can review your two new fragrances, we need to know the complete composition of each one. You may either submit the compositions to us, yourself, or have your supplier submit them directly to us.

Label The labeling submitted with the above letter is acceptable for the 12oz size, provided you submit one (1) copy of final printed labeling to us, with the following changes, before you ship your product.

1. As approved earlier, the text below your product name needs to need as follows:

**EFFECTIVELY CONTROLS CLOTHES MOTHS (LARVAE & ADULTS)
AND CARPET BEETLES IN AIR-TIGHT CONTAINERS AND
STORAGE CLOSETS**

2/4

Label-continued

- 2. In your "DIRECTIONS FOR USE, it is difficult to distinguish between your subheadings and texts. This problem can be solved by bolding your subheadings: "Use Restrictions", "Pre-Application Directions", "Application Directions", and Post-Application Directions".
- 3. You need to redesign your graphic showing a user handling the product with the person's bare hands. You need either to delete the graphic or show the person grasping the product through the plastic package.
- 4. Remove the "s" from "Active Ingredients"

For the 4 oz size, you need to submit revised labeling with references to closets removed.

Existing stocks

Stocks of existing labels may be used for eighteen (18) months.

Consequence for non-compliance

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Questions

If you have questions about this letter, please contact me at 703-305-5407 (by phone), 703-305-6596 (by fax), or peacock.dan@epa.gov (by E-Mail).

Sincerely,

Daniel B. Peacock, Biologist

PERFUMED DEODORANT BLOCK

PERFUMED DEODORANT BLOCK

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.
Use Restrictions: Kills clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g., chests and trunks), garment bags and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. As Paradichlorobenzene damages some plastics, do not use in plastic garment bags. For use only on cloth containing wool or wool blends.
Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.
Application Directions: Apply product in clean, air-tight containers, bags and closets listed above. Use one block for every 30 cubic feet. For larger closets, multiply the height, width and depth of the space and divide by 30 to determine the number of blocks needed. For example: a closet 8 feet high, 4 feet wide, and 3 feet deep (i.e. 96 cubic feet) would need about 3 blocks (96/30=3.2).
Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.
Retreatment: Since moths are active all year, replenish air-tight containers, bags and closets 2 times a year.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin and respiratory tract irritation. Wear safety glasses. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

FIRST AID

If in **eyes**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If on **skin or clothing**, take off contaminated clothing. Rinse skin with plenty of water for 15-20 minutes. If **swallowed**, call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. If **inhaled**, move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor, or 1-800-858-7378 for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

STORAGE AND DISPOSAL

If empty, do not reuse this container. Place in trash or offer for recycling if available.
 If partly filled, Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

Never place unused product down any indoor or outdoor drain.

Handwritten initials or signature.
