 Reregistration
 (under FIFRA, as amended)

Terms of Issuance:
Unconditional

Name of Pesticide Product:
Scented Moth Block

**Lewis Gray
 The Fuller Brush Company
 One Fuller Way
 Great Bend, KS 67530**

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA grants this reregistration under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for **Paradichlorobenzene** have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Confidential Statement of Formula

The acceptable Confidential Statements of Formula (CSFs) on record for this product are:

- 1 Basic CSF - dated 01/02/13
- Alternate CSF #1 - dated 01/02/13

Any previously dated CSFs are superseded.

Existing Stocks Provisions

Stocks of product with existing labels may be used for 12 months. A copy of your label stamped "Accepted" is enclosed for your records. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. If you have any questions regarding this label, please contact Gene Benbow at (703) 347-0235 or via email at benbow.gene@epa.gov.

DIRECTIONS FOR USE: (12 oz directions)

(Note to reviewer: Language in () is optional or interchangeable) Page 1

Master EPA Label

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: Kills clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g., chests and trunks), garment bags and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. As Paradichlorobenzene damages some plastics, do not use in plastic garment bags. For use only on cloth containing wool or wool blends. **Pre-Application**

Directions: Before storing, dry clean, wash or brush articles to be protected.

Application Directions: Apply product in clean, air-tight containers, bags and closets listed above. Use one block for every 30 cubic feet. For larger closets, multiply the height, width and depth of the space and divide by 30 to determine the number of blocks needed. For example: a closet 8 feet high, 4 feet wide, and 3 feet deep (i.e. 96 cubic feet) would need about 3 blocks ($96/30=3.2$).

Post-Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired. Retreatment: Since moths are active all year, replenish air-tight containers, bags and closets 2 times a year.

DIRECTIONS FOR USE: (4 oz directions)

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Use Restrictions: Kills clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g., chests and trunks) and garment bags. Do not use in containers, dry cleaning and garbage bags that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. As Paradichlorobenzene damages some plastics, do not use in plastic garment bags. For use only on cloth containing wool or wool blends. **Pre-Application Directions:** Before storing, dry clean, wash or brush articles to be protected. **Application Directions:**

Apply product in clean, air-tight containers and bags listed above. Use one block for every 30 cubic feet. **Post-Application Directions:** Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers and bags 2 times a year.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

WARNING: Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Wear protective eyewear (goggles or face shield), a long-sleeved shirt and long pants, socks, shoes, and gloves.

NOTICE: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals.

Place a box around this First Aid section including the "Note to Physician"

FIRST AID: **If in eyes,** hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If swallowed,** call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. **If inhaled,** move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment information.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL OR CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame.
