

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

30 JUL 1992

Mr. Bill Dayton  
The Fuller Brush Company  
PO Box 729  
Westport Addition  
Great Bend, Kansas 67530

Dear Mr. Dayton:

Subject: Revised Label: PR Notice 91-4  
Insect Repeelent Gel  
EPA Reg. No. 2915-40  
Submission: July 22, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

We have included the Storage Stability study submitted July 22, 1992 in our files (reference #85-1412-1). The study is reported completed as of July 23, 1992 which we conclude is a typographical error.

Sincerely,

Richard F. Mountfort  
Product Manager 10  
Insecticide & Rodenticide Branch  
Registration Division (H7505C)

Back Panel

INSECT  
REPELLENT GEL

An effective, non-greasy Insect Repellent in gel form to repel mosquitoes, biting flies, sand flies, gnats and chiggers.

DIRECTIONS FOR USE

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply liberally to exposed skin, for face, spread small amount on hands & apply to face, taking care to avoid getting into eyes, nose or mouth. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you. Avoid contact with plastics such as eyeglass frames, watch crystals and synthetic fabrics such as acetate, rayon, dynel, etc.

DISPOSAL

Do not reuse empty container.  
Wrap & put in trash.

PRECAUTIONARY STATEMENT

Do not use or store near heat or open flame.

HAZARD TO HUMANS  
CAUTION

For external use only. Harmful if swallowed. May cause eye irritation. Avoid contact with eyes, lips, or open cuts. Do not expose treated skin or clothing to fire, sparks or flame. Do not allow children to rub eyes if hands have been treated.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Consult a physician or Poison Control Center.

If On Skin: May cause skin reactions in rare cases. If so, wash thoroughly with plenty of soap & water. Seek medical attention if irritation persists.

If In Eyes: Wash with plenty of water. Seek medical attention if irritation persists.
