Elaine Wagle
The Fuller Brush Company
One Fuller Way
Great Bend, KS 67530

Subject: Fuller Insect Repellent Gel
EPA Registration No. 2915-40
Application dated September 9, 2002

Dear Ms. Wagle:

The proposed amendment to the registration of the product cited above under The Federal Insecticide, Fungicide And Rodenticide Act, as amended, making a number of labeling changes adding an additional fragrance vender is acceptable subject to the comments listed below:

- 1) Refer to PR Notice 2001-1. The First Aid statements must be revised to comply with that PR Notice.
- 2) Efficacy data is a requirement and must be submitted to support this registration. Once the Efficacy Guidelines have been finalized, you will be notified as to what data must be submitted.
- 3) Have your supplier of the fragrance, F-82140, submit the chemical names, CAS Registry Numbers and percentage of each component of the fragrance. When submitting this information, the supplier should reference your EPA Registration No.

A stamped copy of the revised label is enclosed for your records. Submit two copies of the finished label revised in accordance with comment number 1 above..

The Confidential Statement Of Formula dated August 23, 2002 is acceptable and has been made a part of the file for the product.

If you have any questions or comments, please contact Joseph Tavano at (703) 305-6411.

Sincerely,

for Marion J. Johnson, Jr.
Product Manager 10
Insecticide Branch
Registration Division (7505C)

EPA Reg. No. 2915-40
EPA Est. No. 62511-KS-1

NET WEIGHT

4 Ounces (113 g)

INSECT REPELLENT GEL

An effective, non-greasy Insect Repellent in gel form to repel mosquitoes which may carry West Nile Virus, encephalitis and dengue, biting flies, sand flies, gnats and chiggers.

DIRECTIONS FOR USE

Read and follow all directions and precautions on this product label. It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply liberally to exposed skin. For face, spread small amount on hands and apply to face, taking care to avoid getting into eyes, nose or mouth. Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you. Avoid contact with plastics such as eyeglass frames, watch crystals and synthetic fabrics such as acetate, rayon, dymel, etc.

FIRST AID

If swallowed, contact a physician or Poison Control Center. If on skin, may cause skin reactions in rare cases. If so, wash thoroughly with plenty of soap and water. Seek medical attention if irritation persists. If in eyes, wash with plenty of water. Seek medical attention if irritation persists.

PHYSICAL AND CHEMICAL HAZARDS

FLAMMABLE. Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

Store in cabinet, not in reach of children, and away from heat and open flame. If empty, do not reuse this container. Place in trash or offer for recycling if available. If partly filled, call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
