

FUL SCAT INSECT REPELLENT

Non greasy and non staining. Hours of protection from Mosquitoes, Gnats, Biting Flies, Chiggers and Ticks. Useful for gardeners, fishermen, campers and hikers.

DIRECTIONS: READ ALL DIRECTIONS BEFORE USING THIS PRODUCT
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Hold 8 to 12 inches from clothing while applying. Moist surfaces slightly with slow sweeping motion. Do not saturate. Do not spray in enclosed areas. Do not apply over cuts, wounds, or irritated skin. Do not apply to the hands of young children. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reaction in rare cases. If you suspect that you or your child is reacting to the product, wash the treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

TO APPLY TO FACE: Spray in palm of hand in short bursts and spread on face and neck. **DO NOT APPLY ON EYES OR MOUTH.** To repel ticks and chiggers, spray cuffs of trousers, socks, sleeve cuffs and other openings in clothing. Repeat as needed. Avoid contact with plastics such as eyeglass frames, watch crystals and synthetic fibers such as acetate, rayon and dymel, asphalt or furniture.

PHYSICAL OR CHEMICAL HAZARDS:

EXTREMELY FLAMMABLE. CONTENTS UNDER PRESSURE. Keep away from fire, sparks, and heated surfaces. Exposure to temperatures above 120° F may cause bursting.

DISPOSAL: Do not reuse empty container. Do not puncture or incinerate container. Wrap container and put in trash.

CAUTION: For external use only. Harmful if swallowed. Avoid breath spray mist. May cause eye irritation. Avoid contact with eyes, lips or cuts. Do not expose treated skin or clothing to fire, sparks, or open flame. Do not allow children to rub eyes if hands have been treated.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Wash with plenty of water. Seek medical attention if irritation persists.

Cleveland, OH 44114

Dear Ms. Brumelis:

Subject: Revised label: PR Notice 91-4
IRS Insect Repellent Spray
EPA Reg. No. 1685-72
Submission: July 22, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

Please reconsider the phrases - For Industrial (and Institutional) Use Only - Not Intended for Household Use or Resale - in relation to the use of this repellent. The labeling has references to children and is for personal use by individuals. The cited statements appear to be inappropriate for this repellent.

Sincerely,

RFM
Richard F. Mountfort
