

GARBAGE CAN SPRAY

CAUTION:

Keep out of the reach of children. See back panel for additional warnings.

NET WT. 11 OZS.

EPA REG. NO. 2015 E2

The multi-purpose spray to keep indoor and outdoor metal garbage and refuse containers sanitary. Garbage Can Spray checks garbage can odors, helps keep garbage can free of flies, reduces infestation of maggots, retards fermentation and decay.

Remove Cap.

Tilt Garbage Can.

Hold Container Upright with Spray outlet Pointed away from you.

Spray directly into container a few seconds daily, or as needed to maintain odor and pest control. Keep garbage container closed between applications.

WARNING

Contents under pressure. Do not puncture. Exposure to heat including exposure to sunlight, may cause bursting. Do not discard in fire or incinerator. Avoid prolonged breathing of vapor. Avoid contact with eyes, skin, or clothing. If sprayed on skin, wash off immediately with soap and water. Avoid contamination of feed and foodstuffs. Harmful if swallowed. Flammable mixture — Do not use or store near heat or open flame. Use only as directed. Intentional misuse by deliberately concentrating and inhaling aerosol products can be harmful or fatal.

| ACTIVE INGREDIENTS: | % By Weight |
