- Draper Pail
- Tile
- Enamel and Porcelain Surfaces
- Composition Floors
- Leather and Vinyl Surfaces
- Stainless Steel
- Chrome
- Garbage Cans

Any Washable Hard Surface

Kills household germs with a foamy, non-drip spray

SHAKE WELL. Spray evenly over surface to be cleaned. Wipe dry.

DIRECTIONS FOR USE:

1. Shake well before using. Hold can 6 to 8 inches from surface to be cleaned. Press button and spray surface for 3-5 seconds until surface is covered with white foam.
2. Wipe off with clean cloth or sponge. No scrubbing or rinsing.
3. For stubborn stains, allow foam to remain on surface before wiping.
4. On surfaces coming in contact with food, make certain that surface is thoroughly rinsed with clean water before reusing.
