	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT Flea & Tick Fogger	

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide,
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

The Fuller Brush Company
 P.O. Box 729
 Great Bend, KS 67530

10/18/81 209929

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 2915-62."
 - b. The statement "This product contains the Toxic Inert Ingredient Methylene Chloride" must be in the same type size and at least as large as the signal word CAUTION.
 - c. In regard to labeling for products containing flammable propellents (PR Notice 87-8), due to the lack of sufficient anecdotal accident information, we have withdrawn the PR Notice pending further study by the Agency. Refer to PR Notice 87-11.

Therefore, until further notice, ~~REVISE THE FLAMMABILITY~~
statement to read as follows:

You may revise the flammability

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture or
incinerate container. Exposure to temperatures
above 130°F may cause bursting. Do not use ~~in or~~
~~the vicinity of pilot lights. Do not near heat or open flame~~

3. The additional/alternate brand names listed below, submitted in connection with the above-referenced product registration, are acceptable and our records have been adjusted to reflect these additional brand names. This acceptance is given with the understanding that the label for the additional brand names will be like the registered label in every particular except for product name, associated artwork, and you may delete, but not add sites and pests.

Additional Brand Names

Fuller Home Fogger
Total Release Insecticidal Fogger

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
