### WARNING

Poisonous if Swallowed, Inhaled or Absorbed Through Skin. Avoid contact with skin, eyes, nose, mouth and clothing. Do not breathe dust or fumes. Wash hands and face thoroughly with soap and water before eating or drinking. Wash all contaminated clothing with soap and hot water before re-use.

### PRECAUTIONS

### KEEP OUT OF REACH OF CHILDREN

### NOTE TO PHYSICIAN

WARNING SYMPTOMS: Irritation of eyes, nose, throat, and skin; blurred vision; headache; dizziness; nausea; vomiting; diarrhea; and abdominal cramps.  
TREATMENT: Administer emetics if swallowed. Do not induce vomiting if patient is unconscious. Give artificial respiration if breathing is stopped. Treat with 1% solution of sodium bicarbonate if necessary. Do not give any food or drink until the patient has recovered from the effects of the poison. Further exposure until the patient has recovered should be avoided as determined by blood test.

**ANTIDOTE AND FIRST AID TREATMENT**

ATROPINE IS THE EMERGENCY ANTIDOTE FOR PARATHION POISONING. Consult your physician about obtaining atropine tablets. Atropine tablets for emergency use. CALL A PHYSICIAN IMMEDIATELY IN ALL CASES OF SUSPECTED POISONING.

INTERNAL: If the material has been swallowed, induce vomiting. This may be done by introducing a finger into the mouth and rubbing the back of the tongue with a spoon of salt to a glass of water. NEVER GIVE ANYTHING BY MOUTH TO AN UNCONSCIOUS PERSON.

EXTERNAL: If the material has been spilled on the skin, immediately remove patient from the vicinity of the Parathion, remove and discard soiled clothing and wash skin with soap and running water. If the material gets into the eyes, wash immediately with running water for at least ten minutes. IF WARNING SYMPTOMS APPEAR: Administer two 1,100 grain atropine tablets immediately. NEVER ADMINISTER ATROPINE UNLESS WARNING SYMPTOMS APPEAR (SEE WARNING SYMPTOMS under Note to Physician). Keep patient prone and quiet. Start artificial respiration immediately if patient is not breathing. Transport the patient immediately to the nearest physician.

**CAUTION**

Keep Out of Reach of Children and Animals
