PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION:

Harmful if absorbed through the skin. Causes skin and eye irritation. Harmful if swallowed or inhaled. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Avoid inhaling dust. Do not store near food and feed.

Wilbur-Ellis Company recommends the use of a pesticide respirator jointly approved by the Mine Safety and Health Administration (formerly the U.S. Bureau of Mines) and by the National Institute of Occupational Safety and Health under provisions of 30 CFR, Part II.

Wash hands, arms and face thoroughly with soap and water after handling and before eating and smoking. Routinely shower or bathe after work. Wash all clothing with soap and hot water before reusing. Do not use or store near food or feed. Consumption of alcoholic beverages increases the toxic effects of thiram.

Do not consume alcoholic beverages immediately before or within 24 hours of working with AGROSOL Pour-on.

After each day of work, take off all clothes and shoes. Shower, using soap and water. Do not wear contaminated clothing. Wash protective clothing and equipment with soap and water after each use. Personal clothing worn during use must be laundered separately from household articles.

STATEMENT OF PRACTICAL TREATMENT

If swallowed, induce vomiting by drinking 1 or 2 large glasses of water and then touch back of throat with finger. Get medical attention. If in eyes, flush with plenty of water. Call a physician if irritation persists. If on skin, wash with plenty of soap and water. Get medical attention. *copy 1*

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not contaminate water when disposing of equipment washwaters. Do not contaminate any body of water by cleaning of equipment and disposal of wastes and containers. Exposed treated seeds may be hazardous to birds and other wildlife. Dispose of all excess treated seed by burial away from bodies of water.

PRODUCT INFORMATION

AGROSOL Pour-on when used at the correct rate protects seeds from soil and seed borne diseases that cause damping-off, seed decay, seedling blights, and pod and stem blight (*Phomopsis spp.*) during germination and early seedling stages. AGROSOL Pour-on provides essential molybdenum for plant growth where soils are found to be deficient in available molybdenum.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ALWAYS READ THE ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH ALL APPLICABLE STATE AND FEDERAL REGULATIONS.

SHAKE OR STIR WELL BEFORE USING.

Mix AGROSOL Pour-on thoroughly with seed with suitable, properly calibrated on-farm seed treating equipment, or mix thoroughly with seed in a planter box or drill as follows:

SOYBEANS: 4 fluid ounces per bushel (6.6 fluid ounces per 100 lbs. of seed).

Mix thoroughly with seed in the planter box or drill as follows:

PLANTER: 1. Pour one bushel of seed into each planter box.

2. Pour enough AGROSOL Pour-on on top of the seed to treat one bushel.

3. Mix thoroughly with an axe handle or paddle (an axe handle or paddle used for seed treatment purposes only) until all seeds are uniformly coated.

DRILL:

1. Fill drill one-half full, keeping track of the number of bags (bushels) poured in.

2. Pour 4 fluid ounces of AGROSOL Pour-on on top of each bushel of seed just put into drill.

3. Mix thoroughly with an axe handle or paddle (an axe handle or paddle used for seed treatment purposes only) until all seeds are uniformly coated.

4. Fill the remainder of the drill and repeat the process in items 2 and 3

Always apply AGROSOL Pour-on to the seed prior to using any plantability aid for vacuum planters

Systemic Soybean Seed Treatment Fungicide

Contains Thlabendazole

This product contains 4.14% molybdenum
from sodium molybdate

This product contains colorant

ACTIVE INGREDIENT:

Thiram (tetramethyl thiram disulfide) 11.64

Thlabendazole (2-(4-Thiazolyl) benzimidazole) 0.33

INERT INGREDIENTS 88.03

TOTAL 100.00

This product contains 1.09 lb. thiram per gallon.
0.03 lb. thlabendazole per gallon.

EPA Reg. No. 2935-477

EPA Est. No. 32761-MO-3

KEEP OUT OF REACH OF CHILDREN

CAUTION

See side panel for additional precautionary information.

DIRECTIONS FOR USE (cont.)

NOTE: Avoid very deep seeding and exceptionally early sowing under poor growing conditions for maximum benefits. Use only recommended rates. Lower amounts may not give the desired control. Regularly inspect planter plates of seed drill and clean as required.

Clean-up for Electric Eye Population Monitors: At the end of each day of use, clean out the electric-eye monitors with brushes provided by the planter manufacturers, according to their directions.

Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Treat only those seeds needed for immediate use, minimizing the interval between treatment and planting. Do not store excess treated seeds beyond planting time.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store above 32°F. Product stored at a lower temperature will reconstitute to satisfactory utility if warmed to approximately 70°F and thoroughly shaken or stirred before use. Keep container tightly closed when not in use. Store away from water, food and feed.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse, then puncture and dispose of container in a sanitary landfill or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

WARRANTY STATEMENT

NOTICE: The statements made on this label are believed to be true and accurate, but because of conditions of use which are beyond our control, WILBUR-ELLIS COMPANY does not make, nor does it authorize any agent or representative to make, any warranty, guaranty or representation, expressed or implied, concerning this material or the use thereof, except in conformity with the statements on the label.
